ALMOST CRAZY, SUFFERING FROM CONSTIPATION.

Expected to be in the Asylum - After all other Remedies had Failed B B.B. Made a Perfect Cure, Restoring Robust Health

GENTLEMEN—To say all I ought to in favor of B B B would be impossible. It has been a great health restorer to me and I do swear by it. I am a different man now to what I was ten years ago when it was expected I would be in the asy-lum, but now I am in perfect robust health and it was the B B that did it. I suffered for five Glass, Putty & Nails.

FIRE AND RURGLAR PROOF.

It was the B B B that did it. I suffered for five or six years from constipation, sometimes so severely that I went out of my mind. I tried various doctors, both in the country and in the city, and took medicines too numerous to name, but everything failed to have the desired effect. When I used Burdock Blood Bitters, however, the country and in the countr it succeeded beyond all expectations, requiring only two bottles to cure me. To make it still more certain that B B B is the real cure for Constipation, I may say that some two years afterward I felt the symptoms returning and took one bottle more, and from that time to this present time (over eight years) I have never had any return of the disease. I never knew any medicine to work so well. It does not seem to be a mere reliever but a sure and certain cure, as I can certify to, for hundreds of dol-lars' worth of medicine and advice failed to do me any good, but three dollars' worth of B B B made a permanent cure that has given me years of health and comfort.
