Miscellaneous.

When she was introduced to him she called him Mr. Gildersleeve. After she was well acquainted with him 'Charles was the usual term.

When they became engaged she addressed him as 'Charlie.'

As the engagement progressed he became 'dear.'

Just before the wedding she called him 'dearest.'

During the honeymoon she called him 'darling.'

To her friends she alluded to 'Mr. Gildersleeve.'

One year after marriage she called him 'Say you,' while in speaking of him he was 'that husband of mine.'

Young Tutter—Miss Clara, suppose that to-morrow evening I should call again, and having nerved myself up to it, suddenly, while we were conversing, I should without a word throw my arms around your neck and deliberately kiss you—what would you do?

Miss Pinkerley—Oh, Mr. Tutter, don't ask me to look so far ahead.

FORCE OF HABIT.

London People Have Become Used to the Great Specific Remedy.

LONDON, Aug 19—The despatch from Detroit with reference to the cure from Bright's disease and blood poisoning of Mr Langley of this city, by the use of Dodd's Kidney Pills, has recalled the wonderful facts of the case to the citizens, among whom Mr Langley is well known. It has reminded them that Mrs Langley among others also made an equally wonderful recovery. The use of the pills however has become so universal here, and there have been so many instances in which they have been used with beneficial results that a similar case would hardly excite as much interest now as it did then when the medicine was less known.

Mr. Trotter—Look here, didn't you guarantee that you would train that kicking horse of mine so that I could drive him just as well as you could?

Celebrated horse trainer—Certainly.

Mr. Trotter—But he kicked my buggy to pieces as soon as I got him home.

Celebrated horse trainer—Well, he kicked mine to pieces about five minutes before.

What Am I to Do?

The symptoms of Biliousness are unhappily but too well known. They differ in different individuals to some extent. A Bilious man is seldom a breakfast eater. Too frequently, alas, he has an excellent appetite for liquids but none for solids of a morning. His tongue will hardly bear inspection at any time; if it is not white and furred, it is rough, at all events.

The digestive system is wholly out of order and Diarrhœa or Constipation may be a symptom or the two may alternate. There are often Hemorrhoids or even loss of blood. There may be giddiness and often headache and acidity or flatulence and tenderness in the pit of the stomach. To correct all this if not effect a cure try *Green's August Flower*, it costs but a trifle and thousands attest its efficacy.

Mamma—Now, Teddy, to-day we must all try and give up something while times are so hard.

Teddy—I'm willing.

Mamma—What will it be dear?

Teddy—Soap.

Small Son—It's funny about bridal pairs. They are not like other pears at all.

Papa—Why not?

Small Son—Because they're softest when they are green.

"Gift Enterprises"

Seem to be all the rage in the Soap Business, owing to the idea of some manufacturers of getting *something* out of *nothing* it possible. Grocers get 6 boxes for $ of some kinds, and are offered all sort of "Nick Nacks" with others, as an inducement to recommend such Soaps to the trade.

It is a well-known fact, however, that a genuine article in this day of competition pays no fancy profits. WELCOME SOAP represents this class of goods, and demonstrates the value of quality in manufacture, which is the only guarantee of a pure and legitimate washing quality.

The professor in the medical department of Columbia college asked one of the more advanced students:

'What is the name of the teeth that a human being gets last?

'False teeth, of course.'

Only 24. Don't get left

The way a number of people did who put off ordering a Crown Mower until the 10th of July and found them all sold.

Thanking those of our customers who obtained their Crowns, for their patronage, we wish to call their attention as well as those who got left, to the fact that we have only 24 Little Giant Threshers for sale this season, and that if they wish to purchase, it is advisable that their orders be placed as soon as possible. The reputation our threshers have attained has placed them so far above all competitors that they have become the standard Threshers of the Maritime Provinces, and it is unnecessary for us to attempt to describe the numerous points wherein they excel. They are well known to thresh fast, save grain, and clean it in a first-class shape. We guarantee them to be the most durable machines in the market, costing less than $5,00 per year for repairs. Priestley's "Eudora" Cloth

"Eudora," is the name of the new black dress fabric put upon the market by the Priestley's, whose famous dress goods are a household word all over the world. It is like their much esteemed Henrietta cloths; indeed, it has all their merits, and a few things which they lack. It is made in black only, it is a perfect dust shedder; has extra weight and width; and, fitting easily and draping gracefully it gives a distinction to the wearer which all of Priestley's goods confer. This is their excellence, which sets them apart from all other goods. "Eudora" is wrapped on "The Varnished Board," and Priestley's name is stamped on every five yards so that ladies cannot be deceived. 31

Dyspepsia and Catarrh of the Stomach Cured by B B B. After Hope was Nearly Given Up

GENTLEMEN—For over three months I was very ill from what I believe was a malignant type of Dyspepsia I at once consulted a physician who treated me for Dyspepsia without success. I then went to a specialist who diagnosed the case as Catarrh of the Stomach; his treatment also failed, and I was getting worse every day I could not rest at night and had to walk the floor to get any ease. I failed from 195 pounds down to 135 pounds and about gave up in despair when I heard of Burdock Blood Bitters as a remedy for Dyspepsia The first bottle made a change for the better, and I bought six more, being delighted to find myself getting better. Under the use of B B B I gained a pound a day I took 18 bottles in all and am now nearly back to my old weight I recommend dyspeptics to try the old reliable B B B. that always cures.
