Miscellaneous.

Who is this Dean Swift they are talking about? Whipped a society lady to Lady Bulwer at a party. I should so like to invite him to one of my receptions.

Alas, madam, the Dean has done something that has shut him out of society. Dear me, you don't say so! What a dreadful thing! I said the lady in a small breath. And what was it? she added.

Well, about a hundred years ago he died.

An excited military-looking gentleman entered the editorial sanctum one afternoon, exclaiming:

The notice of my death is false, sir. I will horsewhip you within an inch of your life, sir, if you don't apologize in your next issue.

The editor inserted the following, next day: We extremely regret to announce that the paragraph which stated that Major Blazer was dead is without foundation.

MOST INVALUABLE.

The New Specific Remedy is Being Extensively Used at Ottawa.

OTTAWA, Sept. 23.—The marvellous recovery of Mr. G. H. K. N., of this city, from Bright's Disease, by the use of Dodd's Kidney Pills, is still fresh in the memory of Ottawa people, and the remedy is being freely recommended both by druggists and private practitioners. The similar wonderful cure of Dr. G. McLaughlin, of Richmond, Quebec, and of Mr. Arthur Ouley of Somerset, Manitoba, by the use of Dodd's Kidney Pills, are generally quoted as evidence of the efficacy of this remedy in all cases of kidney trouble. It is also proving itself invaluable in the mild form of diabetes which appears during the summer.

A dubious compliment—I used to think you were not a man of your word Jones, but I've changed my mind. Ah, you understand now, friend Smith. But what led you to change your mind? You remember that \$10 you borrowed from me? Yes. You said I lent it to you, you would be indebted to me forever. Yes, Well, you are keeping your word like a man.
