The Harvest Moon.

Over vineyards slow reaching completeness,

Over fields that are ripe with sweetness

That hides in the full tasselled corn,

D.m purpling at dusk and at morn,

Oh, moon of the year in her prime;

Beam soft, mother hearted and tender;

Hath wakened to life and to death;

Hath risen to passionate breath,

And fallen, to sur in some far night,

And all the old gladuese renew.

Ob, moon of the harvest's rich glory

And under thee men write the story

And thou, ever stately and golden,

As over the fields that are reapen

As evening, and level and shore,

The rose and the eilver of mora.

west the prairies billowed-vast surges

.O, the hill is so high!' be answered It seems nearer to God. April passed May came. One calm evening Jim ran excitedly to his mother. 'The graveyard,' he panted, is on fire, St. John, N. B.

She looked up the hill and noted the flames and moving figures Don't mind, dear. Those men are only burning over the old grass that it may come up more fresh and beautiful." But Jim looked troubled. ·How long before it will come up, mamma?

O, it may begin to show in a few

He walked thoughtfully away. At supper he had not returned. Inquiries were made at the neighbors' houses. No one had seen him. His mother glanced toward the still half-smoldering slope, and a sudden thought came to her. She walked up on the hill. How dreary and bleak the cemetery looked, with the few slans standing whitely in the midst of the fire-swept sod. And yet-what miracle was here? Had the fire spared one little grave? For out of the universal blackness rose one tiny mound of a fresh She had the most beautiful eyes that ever looked love into a mother's face. and vivid green by contrast most mar-They were hazel eyes, white lidded, dark ther moved slowly forward, knelt down lashed, liquidly brilliant, too, although beside it, And then she saw that the their expression was one of gentleness. grass that 'folded it over and over' was This gentleness her admirers found very loose and newly plucked. People who knew me marvelled at the change, and on my personal recommendation many have used Pink Pills. This is the first time, however, that I have given the facts for

On being asked if the Sciatica had ever returned, Mr. Metcalfe stated that once or twice, as the result of unusual exposure, he had experienced slight attacks but he always kept some of the pills at hand for use on such occasions, and they never tailed to fix him up all right. Mr. Metcalfe, who is 52 years of age, is in the flour and provision business, and, as proof of his ability to do as good a day's work as he ever done in his lite, we may state that the most of the work connected with the erection of his six miles of telephone line was perormed by himseit. Mr. Metcalte also mentioned several other instances in which the users of Pink Pills derived great benefit, among them being that of a lady resident of Horning's Mills The "Economist" knows of a number of instances in Shel-burne where great good has followed the use of this well-known renedy.

The public are cautioned against imitations and substitutes, said to be just as good." These are only offered by some unscrupulous dealers because there is a larger profit for them in the imitation. There is no other remedy that can successfully take the place of Dr. Williams' Pink Pills, and these who are in pead of a medicine should insist those who are in need of a medicine should insist upon getting the genuine, which are always put up in boxes, bearing the words 'Dr. willie e' Pink Pills for Pale People." If you cannot or ain them from your dealer, they will be sent po paid on receipt of 50 cents a box. or \$2 50 for six box. es, by addressing the Dr. Williams' Medicine Co., Brockville, Ont, or Schenectady, N. Y.

With a population of about 2,500,000 Parie has fewer than 100 negroes within its limits. It is claimed that the colored population of all France is less than 550.
