It is to sell goods; not merely this day, this month, or this year, but as long as we can stand behind the counter. We are here to stay in this Clothing Business and we want your permanent custom. We're after the Guilt edge buyers, those who want bargains every day in the week, every week in the year. It's cash payments from you that enables us to pay spot cash to our manufacturer, and that enables us to give you better value for your money than you can find elsewhere. We are Specialists in this Clothing business. We have confidence in our knowledge of it. If you were sick you'd employ a doctor, not a mechanic or lawyer. The same arguments ought to apply to you when you buy your clothing. We know the symptoms of bad bargains and steer clear of them. Our Men's Canadian Frieze "King" ULSTERS at \$5, \$7, \$9, \$11, are only specimens of the value we have got for your money. Our Fall and Winter Suits, \$5 to \$14, have all got the value in them—all that can be got, more than 99 out of a hundred will give. If you're a saver let's save for you. Money back for the
