NOTICE! AN ELECTION FOR A

TOWN COUNCILLOR

KINGS WARD

TOWN OF WOODSTOCK,

-WILL BE HELD ON-MONDAY, APRIL, inst. at or near Wm. Queen's office.

J. Chipman Hartley,

Some nameless miscreant has lately poisonself, but to my fellow creatures who are suffering from Asthma and Bronchitis, as I had for some time previous to using your "Emulsion of Con Liver Oil with Hypophosphite," to give my testimony to the most wonderful good effect it had. Having suffered for some time with Asthma and Bronchitis, accompanied with great nervous exhaustion, and having carefully read your Essay on the combination and uses of your Emulsions, I was persuaded to give it a trial, and on using two bottles I began to receive great benefit and relief, and after using three bottles I was completely revived and after using three bottles I was completely revived and any persuade to give it a trial, and on using two bottles I was completely revived and any persuaded to give it a trial, and on using two bottles I began to receive great benefit and relief. Asthma or Bronchitis, and my nervous system much invigorated and built up I have found it very pleasant and palatable, and with no taste of oil whatever, and can with great confidence recommend it to those suffering set I did previous to taking your compound. I am, yours, &c.

ALEX STEPPEN, SR,

Merchant.

Some nameless miscreant has lately poison-this hand on this place. It is a pity that the Oriminal Law could not lay its hand on him. It is a disgrace for any community to have such vagabonds in their midst.

John Gallagher is at work on the Episcopal church, which is much needed here.

Mabel F Barker has been home on a visit. She has a fine school at Sisson Ridge and is much esteemed by the community, as teacher.

The school interest at Four Falls is very indifferent.

The potato industry over the line is of immond Dyes give the best and strongest olous for ten ceight beactiful and handsome shades.

The full and explicit directions upon active such vagabonds in their midst.

Some nameless miscreant has lately poison.

The full and explicit directions upon active such vagabon at its work on the Episcopale have such vagabon at work on the Episcopa C. E. PUTTNER, Esq., PH. M.:

F. B. Quarterly Meeting. To the Editors of the Carleton Sentinel: The quarterly meeting of the Free Bap- ladies have paid for the crean \$100, and \$10 tists was held at Carlisle on the 30th March. GOOD WORK.

The Sisters Call it the Wonder-working short time seemed to prosper, does not look Medicine," and Strongly Recommend Its Use.

No medicine in the world has ever earned; ted States No medicine in the world has ever earned or received the high and unstinted praise that has been justly accorded to Paine's Celery Compound in the head house, by sisters who Compound. Testimonials (many of them of uncertain authenticity and questionable vernacity) appear each week, advocating the use of medicines, worthless and of no value to the nerves—it was deemed advisable in the interval of suffering humanity to make a decrete that make human become so popular with the medical fraternity, the hospitals of the country and the households wherever consumption or lung troubles prevail. Miller's Emulsion is the households wherever consumption is the households.

sick and suffering.

Paine's Celery Compound stands on a summit of fame, far removed from all the deceptive medicines of the day. Its letters of testive medicines of the day is a decident day and graciously written as the decident day and the decident day is a decident day. Its letters of the day is a decident day and the decident day is a decident day and the decident day is a decident day. Its letters of the day is a decident day is a dec

timony come from the best people, and from inattentions whose names are synonymous with honor and uprightness.

Among the large and noted institutions whose people have been blessed by the curing and healing virtues of Paine's Celery, is the 'Convent of the Holy Names,' in the city of Montreal.

Sisters have kindly and graciously written as follows:—

'We feel it a duty to add our testimony in favor of your 'wonder working' Paine's Celery Compound. Many sisters suffering from debility, dyspepsia, sleeplessness and in digestion, have been completely relieved after taking it.

'We shall strongly recommends its use in whose as goodly number present.

This thorough and magnificently equipped all our houses, as the best medicine to restore health, and give tone and v gor to the nervous system.'

This thorough and magnificently equipped all our houses, as the best medicine to restore health, and give tone and v gor to the nervous system.'

The stirring addresses of Rev S W Bennison and Mr Porter, formerly of Benton, made the meeting one of unusual profit; the following resolution was passed with a large majority, many of these being our young men:—

There will be on exhibition at B. B. MANZER'S Store,

100 ELEGANT DRESS PATTERNS in seven yard lengths, comprising all the latest novelthe sale of beer and every other kind of inties in foreign DRESS GOODS.

These goods have just been imported by one of the largest Dry Good Houses in Canada, and have been consigned to me for Fifteen Days Only; goods are all marked in plain figures and are lower than the city interspersed with bright music, made up an retail prices. One Price Only. A rare opportunity for the ladies of this Town and County to select a Handsome and Stylish dress pattern. Do not fail to see these goods as they will only be here for a few days of medicinal agents is gradually relegating and the balance will be returned.

B. B. MANZER.

Communicated.

Cloths of the finest harbors in the world. Then there were the bait fisheries, without which neither the United States or the Canadian fisheries could be prosecuted. There were engaged in the fisheries some 36,000 fishermen. England owed her strength to the navy and Newfoundland. Newfoundland was the nursery for her seamen. The value of the fisheries annually was \$6,700,000. It ought to be remembered that they were but partial-

ly undeveloped and unprotected. There were 2,000 square miles of white pine, and the output of the forests this year was valued at \$300,000. This industry was comparatively new. It was only about nine years ago since lumber was first exported. Then there were 3,700 equare miles of mineral land untested In mines already in operation there were \$5,-150,000 invested. This was the result of random discoveries along the coast lines. Up to a very recent date there was no connection large coal area had been retained in the hands of the Government. This would be an in ducement to the Ministers to win over the Island to confederation, because, as he understood, a large part of the coal fields of Canada had been given over to an American syndicate. The fourth largest exports o any country from Canada was sent to Newfoundland, and still there was only a population of 207,000 people. He had heard great tales as to the debt of Newfoundland. It was only in the neighborhood of \$19,000,000, and that included the cost of its railways up to the present time. There were also dry deche
