Miscellaneous.

'Mamma, do you like to kiss Mrs. Jewhillaker?'

'No, dear.'

Do you think Mrs. Jewhillaker likes to kiss you?'

'I don't think she does.'

'Then why do you and she always kiss when you meet?'

'I don't know, dear.'

'Don't you think Mrs. Jewhillaker would rather you didn't kiss her?'

'I have no doubts of it.'

'Wouldn't you rather Mrs. Jewhillaker didn't kiss you?'

'Oh, very much!'

'Then that must be why.'

The villain gnashed his gleaming teeth with the grating sound of the breaking up of an ice gorge.

'Ha, ha, my proud beauty!' he hissed. 'I will yet bring you to the dust!'

The proud beauty smiled a wan little smile.

'Never,' she twittered. 'You are on the wrong track. The man to win me must bring the dust to me.'

Don't

let that cold of yours run on. You think it is a light thing. But it may run into catarrh. Or into pneumonia. Or consumption.

Catarrh is disgusting. Pneumonia is dangerous. Consumption is death itself.

The breathing apparatus must be kept clear of all obstructions and offensive matter. Otherwise there is trouble ahead.

All the diseases of these parts, head, nose, throat, bronchial tubes and lungs, can be delightfully and entirely cured by the use of Boschee's German Syrup. If you don't know this already, thousands and thousands of people can tell you. They have been cured by it, and "know how it is themselves." Bottle only 75 cents. Ask any druggist.

Old Lady—Then you are not married?'

Modern Miss—No, indeed. I am one of the bachelor girls you hear so much about nowadays—have a profession, rooms of my own, and dine at the club, you know.'

Old Lady—Ah, I see. You must let me introduce you to my dear son who lives with me. He is one of the old maid men you know.'

A citizen stepped into an uptown pharmacy and called for a couple of pills which he swallowed.

'How much?' he asked.

'Fifty cents.'

'Fifty cents?' Why the druggist on the block below never charged me more than five.'

'Then I'll make it four. I'll drive that man out of business if I have to sell goods at cost.'

A PECULIAR CASE.

COVERED WITH PIMPLES.

AN ANXIOUS MAN.

The Disease Disappears in Three Weeks by the Use of B B B.—Letter from Manitoba Fully Describing It.

Dear Sirs—During the winter of 1892 93, I was covered with Pimples on the inside of my right leg between the knee and the ankle. As I never had anything of the kind before I was anxious about it, and sought medical advice, but getting no relief from the doctor I tried a bottle of B B B., applying some of it to my leg as well as using it internally, and to my surprise the nasty disease, whatever it was, disappeared within three weeks, and I am thankful to say it has never re-appeared.

'Matrimony is a game of cards with the changes all one way,' she observed, after deep thought.

'Yes?'

'Yes. A woman has a heart and a man takes it with a diamond, and after that her hand is his, and besides he can beat her with a club.'

"Gift Enterprises"

Seem to be all the rage in the Soap Business, owing to the idea of some manufacturers of getting *something* out of *nothing* if possible. Grocers get 6 boxes for 5 of a some kinds, and are offered all sort of "Nick Nacks" with others, as an inducement to recommend such Soaps to the trade.

It is a well-known fact, however, that a genuine article in this day of competition pays no fancy profits. WELCOME SOAP represents this class of goods, and demonstrates the value of quality in manufacture, which is the only guarantee of a pure and legitimate washing quality.

'I wish my husband would quit his present business,' said Mrs. Spiffins. 'As long as he remains in it he will be at the foot.'

'What business is he in?' asked Mrs. Manchester.

'He's a chiropodist.'

Relief in Six Hours.

It relieves retention of water, and pain in passing it, almost immediately. If you want quick relief and cure this is your remedy. Sold by Garden Bros., druggists.

Of Interest to Breeders.

In a few weeks horses and cattle will be put on grass, and the greatest care is necessary to prevent the sudden change of diet having very serious effects. Dick's Blood Purifier tones up the whole system, and the animal goes on thriving instead of being set back by a change.

'Bobby,' cautioned his mother (they were guests at dinner), 'is it possible you are eating with your knife?' 'Yes, ma,' responded Bobby, with a look of intense chargin, 'but I forgot I was vistin.'

Rhoades—Do you think, Faith, dear, that your father will consent to our marriage?

Faith—Of course papa will be very sorry to lose me, but I suppose he will give his consent.

Rhoades—But I will tell him that instead of losing a daughter he will gain a son.

Faith—I wouldn't do that, dear, if you really want me. Papa has three such sons living at home now, and he's a little touchy on that point.

The pastor bade her proceed.

'Tell me all,' he urged kindly.

'I put a button in the contribution box,' she faltered.

He smiled.

'And did your conscience trouble you?' he asked.

The woman raised her eyes earnestly.

'No,' she answered. 'I put in the wrong button and broke a set and I would like to exchange it, if you please.'

Proud Father—That is a sunset my daughter painted. She studied painting abroad, you know.'

Friend—An? that explains it. I never saw a sunset like that in this country.'

'No, George,' said the mature, but still lovely maiden to her youthful adorer. 'I can never be anything more than a mother to you. Your fath r spoke first.'

THE KENT CASE

A Visit to the Works of the British North American Note Company

Ottawa, April 8—A visit paid yesterday to the works of the British North American Bank Note Printing Company, in whose employment Mr G H. Kent, the report of whose recovery from Bright's Disease with all its accompanying horrors of swollen limbs, convulsions, coma and fearful pains, has been the cause of so much discussion in the city, assuring that he is still in the enjoyment of the health which he has gained by a judicious use of Dodd's Kidney Pills. For a man who may be said to have had one foot in the grave, and whose health was despaired of, he presented a remarkable picture of health and vigor, and purused his work at the heavy presses without any indication of weariness. He is loud in his praises of the remedy which cured him.

Weary Walker—Say, mister, gimme a dime.

Dignified Wayfarer—Give you a dime! I think you are more in need of manners than money.

Weary Walker—Well, I struck yer for what I thought ye had most uv.

In the Spring

Nearly everybody needs a good medicine. The impurities which have accumulated in the blood during the cold months must be expelled, or when the mild days come, and the effect of bracing air is lost, the body is liable to be overcome by debility or some serious disease. The remarkable success achieved by Hood's Sarsaparilla, and the many words of praise it has received, make it worthy your confidence. We ask you to give this medicine a trial. We are sure it will do you good. Read the testimonials published in behalf of Hood's Sarsaparilla, all from reliable, grateful people. They tell the story.

Medical Examiner—Have there been any symptoms of insanity in your family?

Applicant for Insurance—Yes, sir—er—that is, my sister once refused a man worth half a million.

Heart Disease Relieved in 30 Minutes.

Dr. Agnew's Cure for the Heart gives perfect relief in all cases of Organic or Sympathetic Heart Disease in 30 minutes, and speedily effects a cure. It is a peerless remedy for Palpitation, Shortness of Breath, Smothering Spells, Pain in Left Side and all symptoms of a Diseased Heart. One dose convinces. Sold by Gardea Bros.

Clara—I wonder if it is true that one is likely to catch something from being kissed?

Maud—Of course not. You've been kissed enough, but you haven't caught anything yet, have you?

A New Shortening

If you have a sewing machine, a clothes wringer or a carpet sweeper (all new inventions of modern times), it's proof that you can see the usefulness of new things.

Cottolene

Is a new shortening, and every housekeeper who is interested in the health and comfort of her family should give it a trial. It's a vegetable product and far superior to anything else for shortening and frying purposes. Physicians and Cooking Experts say it is destined to be adopted in every kitchen in the land. This is to suggest that you put it in yours now. It's both new and good. Sold in 3 and 5 pound pails, by all grocers.
