C. E. PUTTNER, Esq., PH. M.:

SIR,—I consider it my duty, not only to yourself, but to my fellow creatures who are suffering from Asthma and Bronchitis. as I had for some time previous to using your "Emulsion of Cod Liver Oil with Hypophosphites." to give my testimony to the most wonderful good effect it had. Having suffered for some time with Asthma and Bronchitis, accompanied with great nervous exhaustion, and having carefully read your Essay on the combination and uses of your Emulsion, I was persuaded to give it a trial, and on using two bottles I began to receive great benefit and relief, and after using three bottles I was completely revived and aim to-day perfectly free from either Asthma or Bronchitis. and my nervous system much invigorated and built up I have found it very pleasant and palatable. and with no taste of oil whatever, and can with great confidence recommend it to those suffering as I did previous to taking your compound. I am. yours, &c..

thougands and will surely meet your case.

The latest statistics show that the population of the British isles is steadily increasing.

DRESS GOODS and CAMBRICS with the exception of Ireland, the total increase in the four years that have elapsed since the census was taken in 1891 being over 900,000. The population in 1891 was styles and shapes.

38,008,164; now it is 38,936,270. Inastruct as the number of inhabitants of Irsiand has decreased by nearly 200.000 in the period, the increase for Esgiand, Scotland and Wales is more notable than appears on the surface. These three kingdoms, which had 33,303,414 people four years ago, are returned now as having 34,423,288—1,119,874 more.

Beauty unaderned may do in poetry, but the nicely fitting gown is the desire of every true woman. Priestley's dress fabrics have done much to realize a woman's ideals by offering, in their texture, appearance, fit and wear, a character and distinction, which no other dress goods, however excellent, have quite attained to. And now Priestley's have something new. The Eudora is all the rage. It is even tetter than the Henriettas so much admired. The Eudora has something which the Henrietta lacks—to with greater width the Henrietta lacks—to wit; greater width, greater weight, and a superior duet shedding quality. And then it has an exquisite surface which gives it an almost regal presence.

Trapped on 'The Varnished Board,' and the name, Priestley, stamped on every five
