"It shows the inconsistency of a man," said the abnormally new "new woman." What does? "The course the authorities are taking about blouses. They object to a woman wearing a blouse." "Yes, and properly." "And the less of them she wears the more they object to it!" "I don't like you, Aunt Jennie," said Wilbur, after his aunt had interfered with some cherished idea he had in mind; "an' if you don't let me alone I'll save up my pocket money an' buy a tapor." "A tapor?" asked his aunt. "A tapor," said Wilbur; "an' taporis they eat ants!"

Straggles—Missus, won't yer give a starlin' me ten cents?  
Kind Lady—Aid you won't take this ten cents and get drunk on it I give it to you?  
Straggles—Lord bless you, mum, I couldn't get drunk on less'n a dollar'n sif!

**KEEP ENEMIES OUT.**  
All diseases that linger and finally kill are the effects of bad blood. The blood must be kept perfectly pure. That is what the kidneys are for. They have everything to do in filtering out the poisons.  
The process of filtration may be interfered with by a cold.  
Usually if there is any lack of good kidney work, it is a cold, or perhaps over eating and over drinking.  
Nearly every acute ailment starts with a cold. So do the diseases that finally kill. The thing is to arrest the cold. This brings us to the question: What is the best treatment for a cold? Kidney Pills are the best. From the universal success of Dodd's Kidney Pills in all the towns in which they have been used, it is evident that they are the best. They show themselves, in 3 to 5 days, no treatment known to man anywhere equal to Dodd's Kidney Pills.

Miss Antiqua—People are always talking of self-made men. I wonder why they never speak of a self-made woman?

### Only 24! Don't Get Left

The way a number of people did who put off ordering a Crown Mower until the 10th of July and found them all sold.

Thanking those of our customers who obtained their Crowns, for their patronage, we wish to call their attention as well as those who got left, to the fact that we have only 24 Little Giant Threshers for sale this season, and that if they wish to purchase, it is advisable that their orders be placed as soon as possible. The reputation our threshers have attained has placed them so far above all competitors that they have become the standard Threshers of the Maritime Provinces, and it is unnecessary for us to attempt to describe the numerous points wherein they excel. They are well known to thresh fast, save grain, and clean it in a first-class shape. We guarantee them to be the most durable machines in the market, costing less than \$5.00 per year for repairs. Send at once for descriptive circular and order form to
