Miscellaneous.

A Texas paper says that in one of the earliest trials before a colored jury in Texas the 12 gentlemen were told by the judge to 'retire and find the verdict. They went into the jury room, whence the opening and shutting of doors and other sounds of unusual commotion were presently heard. At last the jury came back into court, when the foreman announced: 'We hab looked ever'whar, judge, for dat verdict—in de drawers and behind de doahs, but it ain't nowhar in dat blessed room.'

Mrs. Strongmind—Men think they are good reasoners, and yet every man judges all women by his wife.

Mr. S.—Women don't reason that way.

'I should say not.'

'No, indeed, every woman judges her husband by the worst things she hears about other women's husbands.'

Bacon—Does that young man who is paying attention to your daughter leave at a seasonable hour every night?

Egbert—Yes, I have no reason to kick.

DANGEROUS.

We often see this sign on roads or streets Any kidney ailment is dangerous Because you never know where it will end.

Suppose you feel languid, suppose you have feverish symptoms, there must be poison in the blood for these are the certain signs

To the fact that poisons get past the kidneys, may be traced every sickness to which you are liable.

Treat the kidneys forth with and first of all It is the safe and proper thing every time; therefore do it promptly and well. We are trying to teach people to turn to Dodd's Kidney Pills, as the simplest and greatest treatment of kidney diseases on earth

Can't you see the point? Every serious disease results from the kidneys being out of order. Dodd's Kidney Pills keeps on curing these diseases.

He—Do you think you love me well enough to be my wife?

She—Yes, George.

He—Well, I only asked to ascertain how you felt on the subject, so in case I ever should want to marry I should know where to come.

Only 24! Don't Get Left

The way a number of people did who put off ordering a Crown Mower until the 10th of July and found them all sold.

—o—o—

Thanking those of our customers who obtained their Crowns, for their patronage, we wish to call their attention as well as those who got left, to the fact that we have only 24 Little Giant Threshers for sale this season, and that if they wish to purchase, it is advisable that their orders be placed as soon as possible. The reputation our threshers have attained has placed them so far above all competitors that they have become the standard Threshers of the Maritime Provinces, and it is unnecessary for us to attempt to describe the numerous points wherein they excel. They are well known to thresh fast, save grain, and clean it in a first-class shape. We guarantee them to be the most durable machines in the market, costing less than $5,00 per year for repairs. cannot be made out of horses that are out of condition. Merely to feed plenty of oats is not enough. A horse gets run down the same as a man and needs a general toning up.

Dick's Blood Purifier

is a scientific preparation in the form of a powder. It purifies the blood, strengthens the digestion, turns a rough coat into a smooth and glossy one and puts the animal "in condition." He then has "good life" and feels like holding up his head and lifting his feet.

MILCH COWS are greatly benefitted by it. The whole system is toned up. The digestive organs being strengthened, more nutriment is drawn from the food and the flow of milk increased.

Dick's Blood Purifier will pay for itself ten times over.

ABOUT LA GRIPPE.

The Public does not hear as much about the Grippe as when this terrible epidemic first appeared. It is said that familiarity breeds contempt, and it may be so in this case. For Grip is still with us and finds many a victim. Its after effects are as much to be dreaded as ever, and too much care cannot be taken to fortify the system against them, or against the disease itself. It makes the strong weak and the weak more wretched still. The loss of appetite, the shattered nerves, the impaired digestion, the sleeplessness, the loss of energy and ability for sustained labor, either mental or physical, that are its results, can be replaced by health and vigor through the agency of Hawker's Nerve and Stomach Tonic. No remedy before the public is supported by a more influential and convincing array of testimonials from well known people who have proved its value. It restores lost appetite, gives new richness to the blood, rebuilds the wasted nerve tissues, induces healthful slumber, and gives back the will and the power to do life's work well. Hawker's Nerve and Stomach Tonic will overcome the after effects of La Grippe in every instance where it is faithfully used according to directions. It is sold by all druggists and dealers at 50c per bottle or six bottles for $2 50, and is manufactured only by the Hawker Medicine Co. (Ltd) St John, N B, and New York City.
