of the National Council of Women, for Canada, which opened at Toronto on the 28th of May, was a notable one. In brief, the object of the Women's Council is to hold up a high ideal in the nation; the local council's duty is to do the same in such district, and the duty of each member is to live an ideal,

The membership embraced delegates from all parts of Canada, including Lady Aberdeen, who presided, Madame Laurier, Lady Thompson, and representatives of all the

creeds and religions.

Her Excellency's opening address gracefully alluded to the organization of the National Council in October, 1893. Many present, said she, are now here as pilgrims. To all she extended a hearty welcome. A review of the council's work showed encouragement on all sides. The Government and other bedies had been kindness itself in receiving their representatives. The danger seemed to be that the walls of Jericho would extent, and it is estimated that from 6,000, fall down too easily. The members should not be too sanguine of such haloyon progress continuing. Defeat alone would bring out Dr. Ludwig Jankau, the eminent physi-
