Regular meeting of the Woodstock W. C. T. U., on Thursday, at 3 o'clock, p. m., in their Hall—first Thursday of every month being the Union Prayer Meeting. Women cerdially invited to attend.

If dram drinking Churchmen loved Ohriet as they love whiskey, the Church would cesse lamenting the loss of apostolic power. To wreck a train is an accident or a crime: but to wreck a man or a family is a certainty which the State provides for and a privilege which it sells.

Governmental Power.

"Government cannot knock a human passion or a depraved and diseased appetite upon the head, but it can knock a barrel of whiskey or rum upon the head, and thus prevent the grasification of the passion or appetite, and after a time the unfed appetite passion will die out."- Horace Mann.

A party of compromises can never put away the saloon. Any party must be a party of compromises as to temperance in which the descon and the distiller, the bishop In twenty years it is claimed that the consumption of alcoholic liquor in Britain has fallen off one half, while it has doubled in standing with both feet on the solid rock of standing with both feet on the solid rock of Minnerota has recently established a wo- inces we must be loyal, to its dominant pur-

Probably the largest number of men ever Probably the largest number of men ever employed in the building of a single ship are now at work upon the British battleship Magnificent in the Chatham Dockyard. There are 2000 mechanics on the pay roll.

The latest triumph of Yankee inventive genius is an Iudia rubber fish worm. It is said to be a remarkably good imitation of the common earthworm, is indestructible, and in actual use proves as alluring to the fisher as the genuine article.

Good Enough Reason.

Archdeacon Farrar, being once asked why he took so prominent a part in the temperance reform when untouched by its evil influence himself, replied: "At the entrance to one of our college chapels lies a nameless grave; that grave covers the mortal remains of one of the most promising fellows—ruined by drink. I received not very long ago a letter from an old schoolmate, a clergyman, who, after long and arduous labor. Was in Good Enough Reason.

to sit next to a handsome youth, who grew up to be a brilliant writer; he died in the prime of life, a victim of drink. I once knew an eloquent philanthropist who was a very miserable man. The world never knew the wager that he will ride from Paris to America on hereaback. He proposes to ride through Siberia and across Behring Strait on the ice. He is bunting for a companion warns. It is because drink is one of the surest of the devil's ways to man, and of
