However, the mere important consideration now is, have a majority of the electors changed opinions; is there any good reason why they should have changed and that this country should now reverse its record as being Liberal. We don't think any good reasons for such a change can be shown. We don't think there ever was a time in the history of the country when such a change was to the election, as shoulted by the speakers, Dr. Colter, H. H. McCain, M.P.P., F. B. Carvell and C. L. GENTLEMEN,—Having been select ed as the standard bearer of the Liberal Party, at one of the most representative Liberal Conventions ever held in the County of Carleton, I am now in the field. soliciting your support for the represen-tation of the County in the House of Commons at Ottawa. I have, as you know, been twice honored by a majority of your votes, and I look with confidence to a repetition of your verdicts, on June

I am in entire accord with the platform of the Liberal Party—a platform made, not by designing politicians, but by upwards of 2500 leading Liberals from every part of the Dominion, in Convention assembled at Ottawa, in June 1893 That platform fully sets forth the Libera policy. The issues are clearly defined and cannot be mistaken by the people of

the Dominion I am, and always have been, a strong advocate of temperance, a fact known, perhaps, to the great bulk of you gentlemen. If you will refer to my card of 1891 you will see that I placed Temperance over and above party. This was my declaration then and on every and all occasions you will find me tr those principles: "My Temperance principles are well known, and I will when REFRIGERATORS, opportunity offers vote for a Prohibition Law regardless of Party."

And the victory is MISS ENA L. GILL'S, of East Florenceville, who received 10,191 votes. and a majority over her nearest competitor of 2,558. This contest many people will remember was started last February for the most popular Teacher in Carleton and Victoria Counties for a purse of \$10 in

In these four short months thirty-one Teachers were started, and 35,661 votes were received. These votes did not all come from Carleton and Victoria Counties, but from different Provinces of the Dominion and several States in the Union, namely, California, Georgia, Montana, Massachusetts, Maine, Minnesota, Dakota, Colorado and Florida, showing the esteem in which the different teachers are held by those who in many cases no doubt have been their

While we were desirous of knowing the most popular teacher in these Counties, we were also desirous of making Oak Hall known as the most popular and best store in the country to buy Clothing, Hats

and Furnishings for Man or Boy. And we take this opportunity of thanking the teachers and scholars of the Town and Country who so ably assisted us to make this contest such a grand success and made Oak Hall much better known than we were four months ago.
