There is not a medicine in use today which possesses the confidence of the public to so great an extent as Johnson's Anodyne Liniment. For more than eighty years it has stood upon its own intrinsic merit, while generation after generation have used it and transmitted the knowledge of its excellence to their children as a valuable inheritance. The best evidence of its value is the fact that in the state where it originated the sale of it is steadily increasing. I. S. JOHNSON, Esq. My Dear Sir:—Fifty years ago this month your father, Dr. Johnson, called at my store and left me some Johnson's Anodyne Liniment on sale. I have sold it ever since.
