The St. John's Carleton Sentinel, which has been published for the past several years, has been discontinued. The reason for this is probably the shortage in the hay crop this year, and the desire on the part of the Government not to come into competition with the stock raisers who have devoted time and money to the development of a good class of stock and who have cattle on exhibition at St. John's Fair for the purpose of sale.

An Ottawa writer, referring to the introduction of Hon. Messrs. Patterson and Blair to the Commons, says:—
"One could not fail to notice the resemblance existing between the two new Ministers. Both wear beards and hair much alike, only Mr. Blair's is white and Mr. Patterson's is grey. The general appearance of the two men made their presence seem a valuable addition to the Ministry, and it cannot be denied that the new Government is a pretty formidable array of public men."

Surveyor General Dunn gives notice in the Royal Gazette, that the Government have contemplated to purchase a Diamond drill early in 1897, for the use of persons who may wish to carry on prospecting operations.

All persons who may require the use of the said drill are notified that application for the same may be made to the Surveyor General.

All applications will be filed in the order in which they are received, and considered by the Government in Council.

Parties using the drill will pay all expenses in operating the same, and will be subject to such conditions as may be prescribed by the Government in Council.

Wheeler, the murderer of Annie Kempton, at Bear River, was hanged at this hour on Tuesday morning at 2 o'clock. This hour was chosen as the authorities feared an interference by a party expected from Bear River.

The news was adjusted on his neck, and the unfortunate man was asked by Chief of Police Bowles if he desired to say anything else. Wheeler responded:

"Well, gentlemen, I have a few things to say. The confession which I made to the coroner in the Digby Courthouse is the only correct one. I killed Annie Kempton between 12 and 1 o'clock at night, and it is also true that the cow had been milked the evening before between 5 and 6 o'clock. These are my last words and if I am lying before you I am not lying before God. Good by, friends, I hope you will all forgive me."

That Bar Closed.

It is gratifying to know that the bar in the restaurant of the Hotel de Commons, at the instance of the Government, has been closed. It is now in order for the similar place, in connection with the Senate, to be closed.

It is to be noted however that, while these steps are in the right direction, the evil consequences of the liquor traffic, because members of the House and Senate cannot drink when eating in the restaurant. They can't drink standing; they can drink sitting.

The Estimates.

The estimates comparatively submitted by Hon. Mr. Fielding and those prepared by the late Finance Minister are as follows:—

Chargeable to Consolidation fund.

To be voted.....\$1,000,000

Authorized by statute.....\$1,000,000

Total.....\$2,000,000

Chargeable to Capital acc.

To be voted.....\$2,000,000

Authorized by statute.....\$2,000,000

Grand Total.....\$4,000,000

Taken as a rule the estimates vary but little from those prepared by the late Finance Minister. Under reduction of Mr. Foster estimated to pay off \$1,000,000, so that for an increased expenditure of \$1,750,000, there is \$500,000 more debt paid off.

The Plebiscite.

Among the members present when the prohibition delegation waited on the government at Ottawa was F. H. Hale and Mr. Ganoag. Mr. Alexander of Ottawa was one of those who addressed the government. Of her address Mr. Laurier spoke in highly complimentary terms.

The Premier's promise.—He said the plebiscite is part of the Liberal programme adopted at the convention of 1893. Our policy has been before the people who have pronounced upon it. It now becomes our duty to carry out our programme, and I say frankly it is our intention to do so. (Cheers.)

As to the time when the plebiscite will be held, Mr. Laurier said:—It is the intention of the Liberal party to carry out the letter of our programme within the shortest possible time. There is no intention to delay. On the contrary, speaking even politically, it is perhaps the best policy of all to deal with the question within the shortest time. It is not our intention to delay, but I have every hope that next session, and not later, we shall introduce the legislation we have promised. (Loud cheers.)

He added that the question was one in which the women are, perhaps, more than the men, interested. He testified to the importance of the temperance movement, and to the fact that the cause of temperance has made immense progress in the last twenty or twenty-five years. He also referred to the fact that there was a difference of opinion as to what is temperance, some holding that it is absolute abstinence, others that it is moderation.

Prohibition.

On the 3rd, a large prohibition delegation waited on the Government at Ottawa. Mr. Laurier, in reply to their address, declared that the Government, not later than next session, would introduce a bill providing the necessary legislation to carry out a plebiscite. He reminded them that our programme was not a unit on what was temperance. Some thought it was total abstinence, but others thought it was moderation. The opinion of the people on that point would be ascertained by the plebiscite, which would be taken by itself free from any other issue, political or municipal. The poll would be held on the question alone. The delegation expressed satisfaction at the Premier's statements.

At last five of the present Cabinet are total abstainers, viz., Mr. Laurier, Mr. Patterson, Mr. Scott and Mr. Fisher.

Have you seen the 250 shirt, which has caused such excitement at St. John's Fair?

Sudden Death.

Edward Kelly, a well-known man of this town, died very suddenly at his residence on Tuesday morning. The previous day he was in his wonted health and attended the sports at the Park.

Early Tuesday morning his brother John, with whom deceased had been sleeping, hearing a noise, got up and going out into the hall found Edward lying on the floor in a semi-conscious condition. Dr. Kennedy was called but shortly after his arrival the spark of life had died. Deceased was an excellent workman and was much esteemed as an honest man.

Right Cloth Buildings for Spring wear, just opened at St. John's Fair.

Labor Day.

The weather on Monday was just as it could be desired; the bright sunshine and pleasant air were rather a surprise after the very heavy and continuous rain of Sunday. Work in the mills and factories was suspended, the general stores were closed, as usual, for business. From an early hour the streets presented a lively appearance as visitors from the country began to arrive. Flags floated from the usual places while suspended from a wire, thrown across Main street at Old Fellows Hall, from the Brown to the Allen block, from the Union Jack and Star Spangled, those two being happily joined by three links indicating the fraternal sections of the Odd Fellows organization and in anticipation of the coming of the day.

Excursionists.

At a little after ten, five cars rolled into the station. Conductor Shorten in charge, bringing 212 excursionists from Oshawa and St. John's. This excursion was composed of a number of ladies who were in the train among them a numerous representation of the Daughters of Rebecca, L.O.O.F. from Oshawa, and a number from Carleton Place. L.O.O.F. of Woodstock, went out and met the excursion at Debec. Carleton Lodge had secured the services of the W. O. Band, which was provided with light refreshments, the visitors on arrival, and marched to the lodge room, which was kept open during the day and where Odd Fellows of all ranks were present with their families, taking lunch, etc. The ladies of the party were taken out for a drive about town during the afternoon.

At the Park.

The well arranged programme at the park by managers H. E. Gallagher, John McKenney and W. E. Blake, was appreciated by the public as shown by the large and very orderly attendance. Here the band was present and entertained the occasion.

The Races.

The track was in good condition and the contests, as anticipated, proved unusually good. There were two classes of trotting, a running race and two bicycle contests. The judges were W. E. Blake, W. O. Band, St. Stephen's, W. B. Belyea and J. E. McIntyre. Times: Dr. Hand and U. E. McIntyre, 1:05; Clark, C. V. Wetmore.
