Collingwood Resident Tells How Sout American Nervine Cured His Daughter of Distressing Nervous Disease

The father of Jessie Merchant, of Collingwood, tells this story of his eleven year old daughter: "I doctored with the most skilled daughter: "I doctored with the most skilled physicians in Collingwood without any relief coming to my daughter, spending nearly five hundred dollars in this way. A friend influenced me to try South American Nervine, tho I took it with little hope of it being any good. When she began its use, she was hardly able to move about, and suffered terribly from nervous Spasms, but, after taking a few bottles, she can now run around as other children." For Stomach Troubles and Nervousness there is nothing so good as South American Nervine.
