SAMUEL & JAMES WATTS,

XLVIII.-48

evening Nov. 9th.

KINS AND J F TILLEY.

Mr. J. F. Tilley, of the Travelling Dairy, and W. S. Tompkins of the Farmer's and Dairymen's Association held a meeting in the school house in Northampton on Monday

Mr. Robt Brown was elected chairman.

He called the meeting to order and intro-duced Mr. Tompkins as the first speaker.

Mr. Tompkins responding to the call said. Mr. Chairman ladies and gentlemen.

school master and sulked when the large boys courted the school mistress. Had I time at my disposal this evening, I would

choos: for my subject "Then and now" Agriculture, as I knew it then, and agriculture

as I know it now. For a few years I have been studying agricultural questions espec-

by busines, business is governed by the sur-

to agricultural communities. If the farmers

of any district can by a more modern system

of agriculture develop their resources so as

ed condition. I find that the composition o

hay, grain and pork are practically the same

and that the fertilizing element in these three

ton. Now you sell one half ton of hay for

items can be purchased for three dollars per

\$4.00 and you have \$2.50 over and above the amount of fertility sold from the soil.
You sell one half ton of mixed grain for

\$8 00 and you have \$6 50 over and above

The manufactured articles from the farm

Butter and cheese represent the highest embodiment of skilled labor. It goes to mar

ing pork we get cash price for it and are en- with.

riching our soil at the same time. In put-ting on the market a manufactured article

we are disposing of skilled labor. In this

Woodstock, know just when to have your pork ready. Pork raising must go hand in hand with dairying, as I have found no sub-

stitute for milk for raising pigs.

Now, I am not here to tell you to put your

eggs in one basket and watch that basket. I

believe in diversified farming myself. If you are so situated and are satisfied that

There was a time when it required toilsome

than that man ever knew.

that institution is making strenuous efforts

to bring the farmer up to his former posi-

tion. Perhaps never, in the history of our county, was there a greater need of the far-

mers of this county uniting their influence, thereby stimulating their business with re-

ments to assist us in our business. How many farmers take an agricultural paper? There is one published now in the Province of New Brunswick, published semi-monthly, the Co-operative Farmer; this paper should be in every farmers' home in this Province.

It is full of things we need to know and from

experiments made under our own climatic

Mr. Tilley, who had now finished his churning, took the platform. He said.—

We are living in an age of close competi-

competition to adopt a modern system and

to hold their place in the market. So it is with the farmer; he must study his business

and follow some special manufacture. We have in this county a climate adapted to

small per centage of the butter purchased.

The reason for this is because we have not

yet obtained a reputation for our butter.

F. J. MATTHEWS, McAdam.

Wicklow and Simonds S. S. Convention

The above convention opened in the Bap tist church, Florenceville, Tuesday, 17th inst., at 10 30 a. m Miss Johnson presided at the organ. Rev Mr Hayward led a hearty devotional service, the theme being Prayer for Divine guidance: I Kings 1:9-12, Proverbs 2:1-9 and James 1:5-6 were read. Prayer was offered by Revds Fiske, Hayward and Flewelling, and three sisters. The president on taking the chair read a a very happy address Looking back over

the past there was much in the review to encourage them in their inter-denominational work. Within a few years the number of schools has increased from 568 to 1020; and from raising \$208 in a year to raising over \$2000 a year for Sunday school work. Wiser and more intelligent methods are being adopted. Two new departments had been added to the work, viz, Home Class and Normal school.

The reports of schools being called for were given as follows :-Middle Simonds, Baptist school, reported v Miss Cox: Attendance 38; 3 converted; loses two months in the year; interest good Miss Cox also said of the Advent school, Middle Simonds-Average attendance, 30; is now open; has an excellent superintend-

green, and they never had a better school; hoped something would be done to revive the school; thought school could be held in Miss Johnson reported the Florenceville

youth, and grows luxuriant and strong, pleas | Methodist school: The interest was increasing lately; from 2 classes and 16 scholars. The output of coal in Canada, in 1875, they had grown to 4 classes with 26 schol-

worth of the yellow metal. There are now copy of the Evangel taken; had done a lit-in that province seven gold fields being work- the house to house visitation and in consequence secured 4 young men as pupils. Rev D Fiske had been talking with a

Mrs M A Smith reported Summerfield Theitreasury at Washington, for the first school: Average attendance, 37; 3 teachers;

> expected it to open in the spring; very interesting school while in session: he never felt discouraged by mall numbers, God with him he knew he had a host.

Rev D Fiske reported Greenfield, Presby-terian school: A spirit of earnestness prevailed; very encouraging; officers and teachers stand right by their pastor; several way, it is stated, that there are 70,000,000
separate houses in Europe, Uanada and the United States.

It is concern stand right by their pastor; several copies of the Evangel taken.

At this session, 25 were present. Adjourned, the benediction being pronounced. y Rev J E Flewelling.

A Crying Evil.

Every crying evil should be promptly removed. Sick headache is a crying evil affecting thousands of Canadians, which can easily be removed by the use of Burdock Blood Bitters, the best known stomach, liver and bowel regulator and cure for sick headache from whatever cause arising.

Uranus is a gigantic world, more than 60 times as large as curs. It is about 1,700,000,000 miles from the earth.

by Rev J E Flewelling.

The devotional exercises preceding the afternoon session were conducted by Rev A H Hayward, who took for his topic "Diligence in and systematic study of the world of God," giving four reasons for diligence and system—lst, It is a book of history; 2nd, It is a book of revelation; 3rd, It reveals Jesus Christ as the world's only Saviour; 4th, Only by careful and systematic study can we understand it; he quoted Isa. 34: 16, John 5: 39. Acts 17: 11. Save:al fervent John 5:39, Acts 17:11. Several fervent prayers were then offered.

Among the many foes to human health and happiness, Dyspepsis and Constipation are twin enemies greatly to be feared. With B.B.B. to drive them out of the system, however, no danger need be anticipated, as every dose brings the sufferer a long step further on the road to perfect health and strength, and a permanent cure always results.

According to late computations, Sirius is separated from our sup by a distance of not home awayster to him and made him love the
