Millions die annually through lack of care for the kidneys-the first sign of kidney trouble noticeable is a single pain in the back which gradually develops into that dreaded malady Bright's di-sease—one of the most alarming symptoms is highly colored urine giving bricklike deposits—do not delay when the slightest symptom has appeared—Kidney troubles are easily prevented in their earlier stages-if neglected they may become obstinate, chronic and perhaps fatal-medical science has proved that all kidney diseases arise from an excess of uric acid or kidney acid poison in the blood-One of Dr. Chase's kidney-liver pills if taken weekly will neutralize this acid and prevent any tendency to Bright's disease or Diabetes.

Have you any of these symptoms? Back Ache, Dull Heavy Pain in the Bladder or Base of the Abdomen, Pains in the Back and Sides, Unusual desire to urinate, Scalding urine with passage obstructed, Red or White deposits, Tired Feelings, Weakness, Dropsical Swellings, these are sure signs of kidney troubles.

Troubled with stricture, impediments obstructions, stoppage of the water, or a frequent desire to urinate at night will find Dr. Chase's Kidney-Liver Pills a great reliever.

KIDNEY-LIVER

TESTIMONIAL

J. F. Browning, Carpenter and Joiner, of Kingston, Ont., writes the following destimonial:
Gentlemen,—I was troubled with my kidneys for ten years and was compelled to arise four and five times a night to urinate. The pain in my back was terrible. I have used enough plasters and pills to stock a drug store, and obtained no relief. The doctors pronounced my case hopeless and advised me to go to Toronto Hospital, The doctors pronounced my case hopeless and advised me to go to Toronto Hospital, and I had made up my mind to go when I read your advertisement in The Toronto Evening News calling your pill the great K. and L. Pill, which I took the meaning to be the KNIGHTS OF LABOR PILL, and being myself a member of that order I had confidence in the name, and I pronounce them the Workingman's Friend, for since taking them regular for three months, I can say I am entirely cured, and had since taking them regular for three months, I can say I am entirely cured, and had I taken them years ago, would have saved hundreds of dollars in doctors' bills

Very truly yours,

J. F. BROWNING, Kingston, Ont.

Resting the Feet.

A hard mattress rests the sleeper more than a downy feather bed, because it does not press so many parts of the body at once, relieving certain bumps while the others are being lain upon.

No two pairs of shoes are exactly alike on the inside, and changing them once per day eases different portions of the feet by throwing the weight upon other parts. This gives a surprising restfulness to the feet, as well as to the shoe, which also gets tired, just as a razor does.

Leathers should always be chosen according to the condition of the feet, as they

differ materially in effect and purpose. On every pair of "Slater Shoes" there is a tag, which tells the exact leather used, giving its peculiarities and the wear it is adapted to.

You can thus buy "Slater Shoes" intelligently and know that they're Goodyear Welted, if you see that they're stamped on the sole with the name and price-\$3.00, \$4.00, or \$5.00.
