'Tis Spring, and at its cheerful voice,

flinging;
And over the hill with merry song,

'Tis Spring a daring merry maiden, Who comes to us with sunshine laden;

'Tis Spring, fond daughter of gray Time, Who comes to us with a warmer clime,

Whom we greet with joy at Easter time,

And with her merry, joyous smile, She fain would all from care beguile.

She with her fresh and youthful face,

Her myriad charms and witching grace,

He needs must yield them to Spring so gay

And though some are sorry to see him go-All welcome Spring with her cheery glow.

Taking

a course of Ayer's Pills the system is set in good working order and a man begins to feel that life is worth living. He who has become the gradual prey of constipation, does not realize the friction under which he labors, until the burden is lifted from him. Then his mountains sink into molehills, his moroseness gives place to jollity, he is a happy man again. If life does not seem worth living to you, you may take a very different view of it after taking

Ayer's Cathartic Pills.

'Do you really like me?' And Mag-ced a great many times with this Mr. gie Fawcett turned slowly around that Dobson—Dodson—she was not at all no item of her dainty ball gown might be sure of his name, and she really did not care at all who was her partner. The 'My dear, you'll be the success of the Darshire hunt ball was not amusing, she evening, and, oh, what an exquisite ban- thought, and it was a little embarrassing gle that is !' And with an exclamation that so many people noticed and admired of delight Lady Carew caught her cou-sin's wrist, on which glittered a magni-twisting it on her arm so that the diaficent bracelet set with diamonds and em- | monds flashed in her eyes. It was very eralds. 'Surely that's new, isn't it? It pretty, but-

wasn't a wedding present, was it?'
Mrs. Fawcett flushed nervously. 'No. | 'Maggie seems to be putting in a very good time to-night,' observed Lady You haven't seen it before. I only had Carew as she strolled into the conservatory with Eric Fawcett. 'She seems to 'You lucky creature to get promiscuous be enjoying herself tremendously.' Oh, my dear Eric, don't try to be resents like that! Who gave it to you?' The flush on Maggie's cheek deepened, sentimental! But really I think my warn-'Eric, of course,' she replied with a laugh. ing to Maggie was not uncalled'-

'Eh, what warning?' 'Well, it rather seems to me that the Lady Carew's lips quivered into an old Adam is returning, my friend; that 'My dear,' she answered, smiling, 'be-domestic joys are palling, and forbidden ware of a husband's unprovoked pres-fruit is becoming terribly attractive.' 'Is that a challenge?'

'Not at all. Besides Maggie is my 'What do you mean?' asked Maggie cousin and my friend, and I think it's Only that their source is more often | right to warn her.' a guilty conscience than an overflowing 'Are you in fun or in earnest? What do you mean by warning her?"

Lady Carew broke into a laugh. 'Laura, why will you say such things? 'Only that I told her to beware of a husband's presents; that a magnificent 'Not with us. He was lunching with diamend and emerald bracelet often meant more than met the eye when it the Delewares and sent over for his things. He will go with them, and he goes back there to sleep.'

THE NARROW ESCAPE OF A FER-GUS MERCHANT'S DAUGHTER.

> Had Been Weak and Sickly From Infancy-Neither Doctor Nor Friends Thought She Would Survive-Dr. Williams' Pink Pills Saved Her Life-Advice to Parents.

Hamilton. His story is substantially as follows: - "My daughter had been very deli-cate from childhood until about three years ago, and the money it cost me for doctor bills made me poor, as it was seldom she was without a doctor's care, and at times we have had as many as three doctors in attendance and hope of saving her despaired of. The doctors succeeded in keeping her alive, but she was gradually growing worse and we all thought she was going to die. Our regular Extract of Wild Strawberry has proved a won- life and remarked that if it were only warm derful remedy is my family. We would not be without it for twice its price. I say it is THE BEST (not merely one of the best—but the best) medicine ever brought before the public for summer complaint or diarrhea, either in children or adults.

He shu remarked that it it were only warm weather, (it was then winter) there might be a chance. But seven summers had passed since her birth and she had gradually become feebler, and my wife and I thought it was just a matter of time until the child would be called to a better home. About would be called to a better home. About this time Dr. Williams' Pink Pills were Quebec province has even a maple sugar syndicate. This syndicate has already bought up over 500,000 pounds of maple sugar. The crop this year is unusually large in all sections of the Province, and several farmers in Beause have already made over giving them to her, half a pill at a time. prominently brought to our notice through improvement that neither her mother nor could doubt that Dr. Will ams' Pink Pills were helping her, and I decided to abandon the doctor's services altogether. The Pink Pill treatment was continued and although

The stock was saved in a damaged condition.

Skin Eruptions Cured for 35 Cents year medicine and are quite as efficacious in the case of children as in adults. They restore to the blood its lacking constituents Eczema, Tetter, Salt Rheum, Barber's Itch- and make it rich, red and pure. In this way

> A Brave Boy, HOVGETON, Mich., May 7 - With a box containing two hundred pounds of dynamite on fire tes feet away from him, John Thomas, a boy who runs a compressed air hoisting engine in the Tamarack mine, stuck to his post and saved the lives of the men at work in the mine by his wonderful bravery. Ten seconde after Thomas had hoisted the men to the level the dynamite exploded, emashing the engine to pieces and doing other damage, but the men and the boy to whom they owe their lives were in place of safety. The miners working in the twenty-third level had put seven cases of dynamite in a box for future use. At noon a helper, accompanied by Thomas, went to the box and found it on fire. Thomas went to his post, gave the alarm to the miners in the level below and ran his engine until he had hoisted them out. He then fled. The alarm of fire caused great excitement but no miners were injured in the rush to

reach daylight from a depth of from 3,000 to 4,000 feet. Fifty years ago England imported three eggs a head for its population, last year it imported forty for each inhabitant, the whole number being 1,589,387,000. Many come from Russia, which exported 1,500,-000,000 eggs last year.

In his address at the opening of the Ang-lican Synod at Winnipeg the Archbishop of Rupers's Land suggested that the Protestant denominations take steps to secure joint religious instruction in the public
