prec uded our placing Bitish goods on any Do people buy Hood's Sarsaparilla in more isvorable terms than the goods of any preference to any other, - in fact almost other country. He ridiculed Mr. Fielding to the exclusion of all others?

In the House of Commons on the 25th after Hon, Mr. Fielding had delivered his speech on the tariff, Sir. Charles Tupper spoke and moved an amendment He con ended that the German and Belgium treaties for having a doubt about this and moved the

Dominion Parliament.

following amendment :-That in the opinion of this house, the re-The Experience of Those Who Have been duction by 25 per cent. of the duties upon Cured Proves That the Most Obstinate all imports except wine, malt liquors, spirits, Forms of Rhematism, Catarrh, Dyspepsia, Kidney Complaints, and Blood cles containing alcohol, sugar, molasses and and Nervous Diseases are Promptly syrups of all kinds, the product of sugar cane, or beet root, tobacco, cigare and cigarettee in favor of any country whose tariff is or may be made on the whole as low as that of shedule D is calculated to imperil the industrial interests of Canada is in prin-Mrs. Stewart, 427 St. Lawrence street, ciple opposed to preferencial trade of any kind with the mother country. That on troubled with rheumatiem, kidney trouble several occasions the government and parliaresulting therefrom and dyspensis. The ment of Canada have requested her majesty pains in my back and legs were terrible. I to be pleased to take such steps as might could get no reet at night, or during damp be necessary to terminate the effects of the provisions of all treaties which prevent the parliaments of the United Kingdom and the

> That the desire for preferential trade with the United Kingdom is now general through. TO CONSUMPTIVES. out Canada. That this house is of the opinion that the government of Canada

trade within the empire, but no decisive ac

tion has been taken in this direction

"That this house cannot consent that any arrangement made by the government of Canada with any country involving serious consideration of tariff and revenue should become operative without the sauction and York. ratification of parliament "

Mr. Davies, who replied, read the opinion f Sir Charles Kennedy, lecturer on con stitutional law as the University of Bristol, England, recently delivered, taking the ground that these treaties did not operate against Canadian preference in favor of British goods as proposed in the new tariff. Sir Charles Kennedy had been for 40 years in the British foreign office, and was a distinguished diplomat. Mr. Davies took the position that these Imperial treaties could not consistently, with Oanada's fiscal independence, apply to Canada without the ex-press consent of the Canadian parliament. Mr. Davis made a strong constitutional argument in support of this contention, and price and two 3-cent stamps. quoted eminent authorities in favor of it. He also argued that even if the treaties did apply the tariff resolution now before the house did not contravene the terms of the and Belgian treaties. In eloquent and for-cible terms, Mr. Davies depicted the effect on the empire of the action of the Canadian Personal letters to Professor Munyon, 11

### IT IS IMPORTANT THAT YOU HAVE THE BEST.

When it is necessary to have an important and delicate surgical operation performed we call in the very best surgeon. When we have money to put away we deposit it in the safest and strongest bank. When we have home dyeing work to do it is wiedom Years of test work and experience prove that Diamond Dyes are the best in the world—the dyes that give the grandest and most satisfactory results.

If you are unfortunate enough to be talk-ed into buying the low grade dyes—the imitations that ere sold for the sake of large profits—your goods will certainly be ruined and your money thrown away.

See that your dealer gives you the Diamond Dyes when you ask for them. Every package is warranted, so that you are fully protected against loss.

The St Oroix Courier says: A judgmen of great interest to many people throughout the country was recently given by the supreme court of the province. For years past farm machinery, pianos, organs, wag-gons, sewing machines, stoves and the like have been sold upon just such notes or reported. Large numbers of these claims reported. Large numbers of these claims have been sued in justices' courts all over the province and scores of these judgments are still standing uncollected. The supreme court has decided that these justices had no jurisdiction to sue these claims and it would seem therefore that the judgments entered upon these lien notes are simply nullities, and cannot be enforced.
