ST. JOHN LETTER.

Some vital statistics—The news of the city—The markets, &c.

The recently published report of the Secretary of the state board of health shows that in 1895 there were in Maine 10,454 deaths and 11,762 births. Of these, 1,397 were deaths of infants under one year of age; and 66 persons took their own lives. From accidents of various kinds 341 persons met their death. Four centuries ago, the state during the year, one aged 102, one 101 and two 100 years. This shows that the chances of reaching the century mark in Maine are not so small as they are in some other states. Among the persons who married, 20 of the brides were under 15 years old, eight were over 80, 625 were widows and 189 had been divorced from a former husband. Thirty-eight of the grooms were over eighty, 922 of the brides were widows, and 186 had been married before and divorced. There were 861 divorces decreed during the year, about 70 per cent of the applicants being women. Maine has about double the population of New Brunswick, but twice as many deaths, and one-third as many marriages. In 1895 there were 1,397 deaths in New Brunswick, and 1,397 in Maine. This speaks well for our climate and mode of living. Against the 66 suicides in Maine there were only three or four in the latter part of the year. The world is full of people who are not so happy as they are in Maine. Against Maine's 66 suicides we had but one or two, still, it must be confessed, "there are others" who would be glad to leave from their marital bonds were the laws less stringent. Altogether, the evidence is that men live longer and are happier in Maine than in any other state. In New Brunswick there are 1,397 deaths, and in Maine 1,397.

Two attempts were made to burn the school house at Black River, St. John county, last week.

Tramps have burgled and two or three vacant summer houses at West End during the last few days.

Miss Mary Wilson, 27 Charlotte street, opened October 1, and during the present term the attendance is larger than ever before in the history of the institution.

Miss Mary L. Wilson of Partridge Island is visiting her sister at Newville, Miramichi. Francis Murphy, the temperance orator, began a series of lectures at the Methodist Institute last evening.

On Tuesday last, Ray Ingram, a three year old child whose parents reside in the city, was found dead of carbolic acid and died from its effects.

There are in port underdressed one steamer, three ships, five barges, two barkentines and a schooner.

Steamer Galia of the Beaver line leaves Liverpool for this port Nov. 20; weekly sailings will follow.

Some reports are circulating among the islands in the bay at a speed of 50 miles an hour.

The marriages, twenty four births and two deaths were reported in the city last week.

People of musical taste have three or four months before them, the summer being the best time to acquire a musical education, they will have abundant time for practice, both vocal and instrumental. For such the store of F. Peters, Jr., 107 Prince street, has peculiar attractions. Mr. Peters has the agency for the celebrated Hardman and several American pianos, and deals in musical merchandise generally, including Washburn's guitars, mandolins and banjos, violins of various makes, ranging in price from \$2.75 to \$300, piccolo, flutes, clarinets, artist harmonicas, the latter a very durable and sweet toned instrument which is mailed in a handsome case for 25 cents to \$1.30, clarinet reeds and mouth pieces, bows, strings, bridges, keys, everything in fact in the way of musical supplies. He makes a specialty of furnishing bands with instruments at a discount of 30 per cent from trade prices and keeps a large assortment of sheet music published at 50 cents to \$1.25 each, which he mails to his correspondents at ten cents a copy. He is in receipt of new music from the publishers every week and will be happy to answer letters of enquiry which may come to him from the musical public.

Business is steady and no notable fluctuations in prices have occurred during the week. Four cases of a little a few days ago but has recovered itself. Manicures are quoted at \$5.75; Globe and other high grade Oatmeal \$8 and eighty five per cent Oatmeal \$4.80 to \$4.90. Common grade teas are in limited supply and are much sought after at one and two cents advance per pound over the price of a month ago. Soft supplies are in good supply and, temporarily, are 60 cents per barrel cheaper. Choice winter fruit is in market and sells at \$3.75 to \$4. Eggs are in demand at 14 cents and strictly choice butter is wanted at 15 to 17 cents. Considerable common butter is in the market for which there is no sale. Nunnap & Co., South wharf, are landing a carload of Flag ship salmon from Fraser river, a carload of silver skin onions from Ontario and a ton of their famous wheat coffee from the provinces.

St. John, Nov. 15.

TWO PICTURES.

One Rich, Bright and Cheerful; the other Gloomy, Dark and Muddy.

Forty-five samples of colored cloth are shown on the Diamond Dye sample card, from which can be produced over one hundred good, solid color. Every dye sample is full, rich, brilliant and fast, showing just what any woman of ordinary intelligence can do with Diamond Dyes. This is picture number one.

The common imitation dyes, and dyes composed of soap grease as a principal ingredient, show but a mass of filthy colors, and are so impure in color tone and power that the small collection looks gloomy, despondent and sickly to any individual with a taste for the beautiful. This is picture number two.

To those in doubt we say, send your address to Wells & Richardson Co., Montreal, for color card of Diamond Dyes; it will be sent free.

The Diamond Dyes being the easiest to dye will give all the grand results in beauty and fastness of color that the heart can possibly desire.

Ladies Elder Dora dressing Jackets in Pink, Light Blue, and Cardinal just opened at B. S. Masser's.

A fire in Houlton, last week, destroyed \$90,000 worth of stock in Hogan Bros clothing and variety store, and the building owned and occupied by J. H. Oby as a hotel, was damaged to amount of \$6,000. Insurance on stock \$90,000; on building, \$3,400.
