Miscellaneous.

'There never was a bigger fool notion in the world,' said young Fullback, pulling on his padded trousers, 'than this idea that football is a dangerous game. These reports about boys getting hurt,' he continued, adjusting his shinguards and fastening them on securely, are half the time exaggerations and half the time they're made out of the whole cloth. A fellow simply can't get injured in a game, he proceeded, stuffing a quantity of wadding about his hip bones and around his shoulders and chest, 'unless he just wants to injure himself and does it on purpose. Now, I've been in a dozen games this year—here he strapped his earguards round his head—'and with the exception of a black eye now and then and one or two fingers dislocated, or something like that, I haven't had the slightest injury.'

Here the young man put on his nose guard and mouth protector, and shortly afterwards went forth to engage in a harmless little game of football.—Chicago *Tribune.*

HEALTH'S PARADISE

Regained After Twenty Years' Torture from that Dread Disease, Catarrh—Hon George Taylor of Scranton, Pa., tells the World What Dr Agnew's Catarrhal Powder Has Done for him,

I was a martyr to Catarrh for twenty years—tried every known remedy, but got little or no relief. Was troubled with constant dropping in the throat, terrible pains in my head, and my breath was very offensive. I was induced to give Dr Agnew's Catarrhal Powder a trial, and the result was magical. The first application cleared my head instantly. I persisted in its use, and to day I am a cured man, and it affords me pleasure to lend my testimony.

Sold by Garden Bros.

'Yas,' said the Nebraska man, 'we had plenty water here, till we took to raisin' watermelons.'

'Aw, really?' responded the tourist.

'Fact. They growed so fast and so big that they just naturally took all the water out the air and the ground. And then, like a lot of fools, we shipped 'em out of the country. And they ain't been no water to speak of here sence.'

'Aw?'

C C RICHARDS & Co.

DEAR SIRS—A few days ago I was taken with a severe pain and contraction of the cords of my leg, and had to be taken home in a rig. I could not sleep for the pain, and was unable to put my foot to the floor. A friend told me of your MINARD'S LINIMENT, and one hour from the first application I was able to walk, and the pain entirely disappeared.

You can use my name as freely as you like, as I consider it the best remedy I have ever used.

Ingersoll, Ont. CHRISTOPHER GERRY.

'Tommy,' said a father to his first-born, 'have you been at those six apples I put in the cupboard?'

'Father,' said Tommy, looking into his eyes, 'I have not touched one.'

'Then how is it that your mother found five cores in your bedroom and there is only one left on the plate?'

'That,' said Tommy as he dashed wildly for the door, 'is the one I didn't touch.'

It will relieve the poor little sufferer immediately. Depend upon it, mothers, there is no mistake about it. It cures Diarrhœa, regulates the Stomach and Bowels, cures Wind Colic, softens the Gums, reduces Inflammation and gives tone and energy to the whole system. 'Mrs Winslow's Soothing Syrup' for Children Teething is pleasant to the taste and is the prescription of one of the oldest and best female physicians in the United States. Johnny—What is the 'riddle of the sphinx?'

Papa (with a meaning glance at mamma)—The riddle of the sphinx is this: 'How can she, being at least part woman, sit there year after year and century after century without ever saying a word?' Ah, my boy, I guess it'll never be answered, either.

"Only the Best"

Should be your motto when you need a medicine. Do not be induced to take any substitute when you call for Hood's Sarsaparilla. Experience has proved it to be the best. It is an honest medicine, possessing actual and unequalled merit. Be wise and profit by the experience of other people.

HOOD'S PILLS are the favorite family cathartic, easy to take, easy to operate.

'It hardly seems meet,' said the Corn-Fed Philosopher, 'yet it is undoubtedly true, that many a young woman is willing to trust with her heart a young man that no butcher will trust for a pound of liver.'

Care of the Complexion.

It is a well-known fact that a torpid Liver produces a sallow hue and a dull yellow complexion. You need not expect a clear, beautiful complexion if the blood is rendered impure by a sluggish action of the liver, which cannot properly perform its function of purifying and filtering all impurities from the blood. Ladies, Dr Chase's Kidney Liver Pills is an invaluable remedy, for by their action on the liver and blood, they promote true beauty by rendering the blood pure. This is the secret.

Newlywed (proudly)—I always make it a point to tell my wife everything that happens.

'They have appointed a woman to clean the streets in Chicago.'

'I hope she won't follow the example of my wife.'

'Why so?'

'Because, if she does, she'll take everything out of one street into another before she commences to sweep.'

'Did your railway make money?'

'No,' replied the promoter, 'we would not let well enough alone.'

'There was a chance of its being profitable, then?'

'Yes; but we weren't satisfied with selling stock. We had to go ahead and try to build the road.'

'How do, Hogg,' said a Pueblo man to an Easterner, who had been here but a few months.

'My name is Bacon, sir, if you please,' he replied.

'Beg pardon, sir. I thought you were Mr. Hogg, the invalid.'

'I was, but I have been cured.'

'No, my child,' said Mrs. Smith to her little daughter, 'you should not expect pay for being good. You should be good for nothing.'

'And then will I be a brute, mamma?'

'Dah is some friends,' said Uncle Eben, 'dat is like de rainbow. Dey looks fine an' bends polite, but dey's gone when de sun aint shinin'.'

BETWEEN LIFE AND DEATH

For 25 Years, Says Mrs J S Stoddard of Asbury Park, N. J., and Two Bottles of Dr Agnew's Cure for the Heart Restored the Lost Treasure.

For twenty-five years I have been a great sufferer from Heart Disease, palpitation, dizziness and severe headaches. I saw Dr Agnew's Cure for the Heart advertised and determined to try it. Two bottles have done wonders for me. The dizziness and palpitation are gone, the headaches have disappeared. I never cease telling my friends the wonderful benefit this great cure has been to me, and I cheerfully recommend it any and everywhere.
