The curtain has gone down on the last stage picture, the immense audience has stage picture, the immense audience has her arms over the portfolio on the table last her arms over the portfolio on the table last later and throws her arms over the portfolio on the table last later and throws her arms over the portfolio on the table last later and throws her arms over the portfolio on the table last later and throws her arms over the portfolio on the table last later and throws her arms over the portfolio on the table last later and throws her arms over the portfolio on the table last later and throws her arms over the portfolio on the table last later and throws her arms over the portfolio on the table last later and throws her arms over the portfolio on the table last later and throws her arms over the portfolio on the table last later and throws her arms over the portfolio on the table last later and throws her arms over the portfolio on the table last later and throws her arms over the portfolio on the table last later and throws her arms over the portfolio on the table last later and throws her arms over the portfolio on the table last later and throws her arms over the portfolio on the table later and throws The curtain has gone down on the last alone. is pouring out in stentorian tones the containing his pictures there is no one stirring strains of the The Star Spangled there to see. Banner.' Fashion and beauty have been present to hear a star of unusual magnipresent to hear a s Banner.' Fashion and beauty have been Bohemia, world of heartaches and tude read one of shakespeare's won terful so bitter, yet so sweet.

pressed with the great bard's wonderful knowledge of the natures and manners and genius of men. In a righthand box some ladies have been sitting during the performance, deeply interested until the next to the final act, when the principal character leaves the stage. He has been the guest of the elderly woman at dinner, for he is one of society's favorites wherever he Gras guns and paper-covered cartridges. goes. With the box party there is a dark girl in a red cloak, rich velvet ruffin her pretty jetty hair and a few more are in her hand. This is Janet Town- None of the former are navigable, and send at twenty-two, the clever artist

The ladies are waiting for the crowd swings and the star is standing with them

-a man of some 37, straight and firm,
eyes dark and tender as a woman's, and
hair that is touched with a tiet of and starting the same latitude.
