Day after day home and foreign cures are seralded as the result of using this or that medicine, It is safe to assert that many of the published letters are bogue, and others will hardly bear the light of investigation. The cures effected by Paine's Celery Compound, and noted in the press of the country, have all the ring of genuineness and honesty about them, and the original letters can be seen at any time by an interested public.

It has also been proven in numberless instances that the cures made by Daire's Cal stances that the cures made by Paine's Celery Compound are permanent. Another letter has just been received, this time from Mr P J Kilbride, Postmaster, Inverness, P E I, testifying to the permanency of his cure. His case was one of the most serious and
