should be welcomed with almost universal acclaim is remarkable indeed. The Fielding tariff seems to have been approved not only tariff seems to have been approved not only and from Centreville, being joined en route by farmers instead of to terminus of I O R as heretofore. by Liberals but by Conservatives. not only by the British, whom it signally favors, but by the Americans, whom it as eignally dis of the military and of some elements from favors. The American papers very generally town, they might have a good display. As regard the discriminating features of the to a farmers parade he thought they had tariff, accompanied as they are by a frank petter assemble at Florenceville from the offer of reciprocity, as in the highest degree different points.
reasonable, in view of the offensive Dingley W W Boyer and Corliss legislation .- Ez,

An Ottawa despatch, says: "The fee has materially altered the prospect of an early prorogation. That it would be possible timates to be very quickly disposed of, i consumed practically reiterating the same thing in reference to dismissals. Little over mentioned as that for prorogation, and less authoritatively mentioned last week. It is now regarded as fairly impossible for the House to separate until some date in the vicinity of Dominion Day."

Last Friday afternoon a pleasing function 3250 The painting of Mr. Laurier is of life size and is a very good likeness. Upon that day which would interfere The people of the country felt sore over the action of the frame appears the Dominion of the Town.

The Queen's Birthday.

Her Majesty's 78th birthday anniversary was observed quietly in town. Busines generally was suspended and the irrepressible boy and fire crackers was abundantly in evidence. The meteor flag floated proudly over the Dominion building, the Carlisle and Aberdeen hotels, the Orange Hall—and Consul James displayed the Stars and Stripes

The base ball games, reported elsewhere, were an attraction that called many to the Park and was much enjoyed. The excursion by steamer Aberdeen Fredericton was patronized by a large number of people from town and country. Sousa and His Band

The coming of Sonsa and his superb organization will be the most welcome incident of their appearance at the Skating Bink. Woodstock, Thursday afternoon, June 3. will be pleasant intelligence to the admirers of the "March King." Sousa made a transcontinental tour in 1896, which was the most successful ever undertaken by a musical organization, and which in point of achieve ment as to artistic and financial result and distance travelled, will stand as a record un-til it is surpassed by the splendid tournee now in course of fulfillment, which has been planued to traverse 21,000 miles of territory in the United States and Canada—bounded by the two oceans and the Gulfs of Mexico and the St. Lawrence. The concert in this city will be peculiarly enjoyable, for the auditorium of the Rink is well calculated to city will be peculiarly enjoyable, for the auditorium of the Rink is well calculated to give the band the best opportunity for its splendid effects in tone coloring; and their in the Town Hall that a Town celebration coming means the assembling of all who leve coming means the assembling of all who leve the strains of harmony, and the influence of the strains of harmony, and the influence of the melodic spell that S usa exerts over his hearers. By no means the least cause of his would be a big celebration, and he could not speel that influence over the music loving remarkable influence over the music loving apopulations of this continent, is the superb way Sonsa plays his own marches. They will be thrilling war tunes for the American cousing the country will be thrilling war tunes for the American couling the total country soldier, if ever that country goes into battle. The remark of an English woman who said taken prisoner before Rodgers, who said and Street; readings by Mrs. Sprague and Miss Boyer; recitations by Miss Fay Camber and Master Perley Hartley. An abundant supply of refreshments will be the size of any previous similar turnout in Northern Maine, according to all accounts were secured.

Some at the World's Fair and who eaid that she hoped England and America would never war with each other, while the soldiers could hear the strains of the "Liberty Hail," for they would walk straight into ty Hail," for they would walk straight into the cannon's mouth under the inspiration of the cannon's mouth under the inspiration of the music, was probably as sincere a tribute ville celebration.

being able to have suitable sports, and they had better, perhaps, postpone the Florence and will be placed under command of a Captain, Lieutenants, etc., just as in the regular as will ever be paid to the "March King."

Eddie La Barre's Minetrels

Opened a two nights' engagement at Music Hall, Monday evening, with a good performance. An especialty good first part is noted and the specialties are good. Locke & Raven gave good musical specialties. La Vardo was a pleasing variety on the slack wire and there was some excellent clog dancing by

Master Freddie. The music is good and a special test of the Maine Cavalry balance above expense of the celebration be given to the Victoria Hospital Fredericton. Mayor Hay was sorry at the way things had turned out. The Town was bound to have a celebration and he did not see why they might not have the Florenceville celebration on the let July as well as on the 22nd June and have a much more successful me when the citizens of the Town would asseem to show a decided military spirit among funny farce ends the performance.
