Poetry. Tree Planting.

SAMUEL WATTS,

BY HENRY ABREY. What do we plant when we plant the tree? We plant the ship which will cross the sea, We plant the masts to carry the sails, We plant the plank to withstand the gales, The keel, the keelson and beam and knee— We plant the ship when we plant the tree. What do we plant when we plant the tree We plant the house for you and me, We plant the rafters, the shingles, the floors

We plant the studding, the laths, the doors, The beams, the sidings, all parts that be-We plant the hous, when we plant the tree. What do we plant when we plant the A thousant things that we daily see We plant the spire that out-towers the crag, We plant the staff for our country's flag,

We plant the shade from the hot sun free-

Selegt Tale.

AN EXPERIMENT.

most atrociously crude fashion.

Centrally Located Large Sample Rooms Hot anything Wilson could have dreamed of in would never touch a piano again as long and Cold Baths. Telephone. (1y-34) sic, but this performance outrivalled she was done with it all, and that she way of imperfections. Moreover as she lived. the way of imperfections. Moreover, as she lived. there was a certain insistence in the thumping that foretold frequent application to the instrument. The racket was the matter and the prospect of losing would probably be kept up for those sweet hours at the piano was in-hours at a time and many times during tolerable. He followed her, found her the day. What should be done about struggling against tears in the dining

> he positively could not stand the pound-pression of her wealth of woe. Presenting of that plane he must find a way to ly she stopped in the middle of a pas-

fast the nerve wrecking attempt at music continued. There was a pause when he opened the door to go down-"probably hunting another tune," thought Wilson arms helplessly, and their lips met. had unwittingly dropped a book on the haven't any principle at all."

Upon the piano stool, swinging around laughing students, 'the experiment has to face him and with the Moody and failed, but the principle remains the Sanky book in her hand, was a young same. woman whose fresh, radiant loveliness sent a thrill straight through his breast to the innermost core of the spinal column. So far as Wilson was concern- alarming presentment :ed it was a case of love at first sight. How else will you explain the lamentable confusion that beset him? How

account for his sudden access of color and his subsequent behavior? withdraw, but rooted to the spot. 'Good morning, Mr Wilson,' she responded, rising with admirable composure and simplicity. 'I wasn't at home when you came last evening, but, of course, knew about it. I am Lucy Hapgood, and that saves mamma the trouble of in-

troducing us. I am afraid the piano least, I assure you,' fabricated Wilson, with alarming emphasis. What further perjury he might have committed may be

breakfast was ready. son reflected. He hardly dared raise his eyes from his plate, and for that matter he did not need to because where he he did not need to, because where he throughout the land: should have seen hot buckwheats he be-

a 6 six-year-old sister of Lucy, came run ning in from the yard with voluble excuses for being late. Now, Wilson did not for one instant ealize what was the matter. He failed even to suspect that he had gone daft on Lucy Hapgood. It was quite apparent. however, that an unforseen element had obtruded itself into his life in Boston, and he attributed his discomfiture to the im-

possibility of asking that superb creature to let the piano alone. If she had been a mere child or an ordinary raw country girl, it would have been easy enough, but -the end of it was that Wilson decided Judge of Probate, Clerk of the Circuit and County upon trying an experiment. He would teach her to play. teach her to play.

Being naturally an honest man, Wil son's first step was to correct his previous falsehood. Finding Miss Lucy dusting in the parlor, he said : 'I want to be the strength, rack the nerves, paint lines of frank with you Miss Hapgood. The piano this morning did disturb me a good deal, and I am afraid 1 could not stand that kind of music right along,

'I felt sure of it,' she answered, with OFFICE - OVER H. V. DALLING'S, equal frankness. 'It shall not happen ity and makes them strong and healthy.

'But I should hate to deprive you of the pleasure of playing the instrument, expectant months and makes baby's comhe added hastily, 'aud I don't mean to.
I was just going to make a suggestion.'

ing easy and almost painless. It guarantees the little new-comer's health and an ample supply of nourishment. Thousands of She was looking at him with such interest and attention that poor Wilson could hardly continue, but he succeeded. 'I'd like to give you a lesson or two. You see, Miss Hop good, if your playing took the form of regular practice instead of-er-what you were doing this morning I think I could stand it, and I never feel in the least disturbed when -er-the performance is fairly correct.'

> Lucy turned her gaze to the floor, and Address Dr. R. V. Pierce, Buffalo, N. Y. her glorious color heightened. 'I don't play so very well myself,' con- BLANKS

satisfaction to-er-yourself.'

o, and I can practice there.' 'Fine!' exclaimed Wilson, and so reoiced was he at the promising success

We plant all these when we plant the tree, ed her how to hold her hand, finding it lings to Australia and Cape Colony, of necessary, of course, to place her fingers which the total is 3.842. in position with his own, an operation that so bewildered him that when he a single satisfactory sentence.

istress. What was to Mrs Hapgood's amazement and ap it? He knew now. From the room parent objection, though she said nothing, beneath came the tink, tink of a piano and much to the further disorder of Wilplayed—no, not played, thumped in a son's mind. Lucy evidently practiced long and well, for she improved remark-It was dreadful, awful, unendurable, ably, and she continued to be docile un-It would have been bad enough if the til toward the last, when Wilson obsertune had been played correctly, for to a ved that she was uncomfortably reticent man brought up on Boston symphony concerts the tunes of Mr Sankey are not the most inspiring and satisfactory music, but this performance outrivalled she was done with it all, and that she

room, and going straight to her, he told Wilson poked his head from beneath his story. Lucy listened with an exthe clothes and looked around. There pression of unutterable anguish, tried to was his baggage, there was the table es- say 'Yes,' and 'No,' at the same time and pecially put in by kind Mrs Hapgood, at length broke away from his tentative in order that he might have ample accommodation for his literary work. He | For one painful moment Wilson remight go elsewhere, but he knew that at | mained where he was. Then upon his this one house his needs could be satis. astonished ears came the sounds of that hadn't his physician told him with great emphasis that Boston was the one spot, by reason of its climatic conditions, where he could hope to accomplish his task without breaking down? Here, then, he must stay, and if he found that | Lucy wring from the instrument the ex-

sage, put her face in her hands and All through his preparations for break- moaned, 'Oh, I am so ashamed!' 'But, Lucy,' said Wilson, tenderly, as he carressed her hair, 'I love you, dear! Then she stood up, reached out her -and he hastened his steps that he 'I couldn't help it, Arthur,' she said, might look into the parlor and see who a little latter, 'when I saw that you misit was that was apparently destined to took Molly's ignorant pounding for mine, torment him. Just as he laid his hand I meant to have a little fun with you, on the knob of the parlor door there was that was all. Mamma scolded, but I one solitary thump, as if the performer | wouldn't stop. I am afraid you think I

keys. Next instant the door was open 'On the contrary, dearest,' answered and Wilson beheld a sight that filled Wilson, 'I knew that you were impelled his heart with perturbations quite as ex-citing but far pleasanter than those that reminds me of the professor in college had been caused by the execrable play- in whose hands an experiment went a to smash. 'Gentlemen.' swid he to the

Blatant Infidelity.

Rev Dr DaCosta, in a sermon in a New York Episcopal Church, made the following "The time has come to think," says he. "It is simply criminal to attempt to shut our eyes to the facts presented by the ceasus, showing the spread of irreligion in the land. Millions of young men of three generations have gone down to unsanctified graves. Excuse me,' he stammered, trying to Morally, denominationalism has not saved Masonic Block, sithdraw but rooted to the snot. St. John. N. B. the people Is has not saved religion or morality. To-day Christianity is ignored by the masses of the people. Sectarianism has played a high game, and it has lost. Even among its membership, if reports are true, there are men who reflect little or no credit

upon its work. "What is the prospect? Take the fact today that there is no plan for the conversion listurbed you.'

No, no. Not at all! Not in the east, I assure you,' fabricated Wilson, with alarming emphasis. What further what for the church; to-day there are fifty million. How long is it going to take at this rate to

"It is something pitiful to see the score left to the imagination, for just then Mrs taries of church societies prepare figures to Hapgood appeared and aunounced that show an increase in the membership of their organizacions, when the masses are drifting All through that bountiful meal Wil- further away from the Gospel of our Lord "What we need is a combination of all

pleasing to many people as marks of age, may be averted for a long time by using Hall's Hair Renewer.

On November 1st forty miners, with their wives and families, left Grace Bay.

C B, for the west.

WANTED—SEVERAL TRUSTWORTHY PER
uougus ran tomewhat on this wise: These women have waited patiently from 8.30 until noon for a sight of Uhicago's "crack regiment," fresh from the "perilous edge of battle" at Santiago de Cuba, as, amid the cheers and tears of the populace, it marches—what is left of it—from the railway station to the armory on Michigan avenue. There has been wholesale neglecting of demestic daties this WANTED—SEVERAL TRUSTWORTHY PERsons in this state to manage our business in their own and nearby counties. It is mainly office work conducted at home, Salary straight \$900 a year and expenses—definite, bonafide, no more, no less salary. Monthly \$75. References. Enclose self-addressed stamped envelope, Herbert E. Hess, Prest., Dept. M. Chicago.

Seven men were killed and three fatally injured, at the Exeter colliery, of the Lehigh Valley Coal Co, at West Paton, Pa, on Saturday.

Wholesale neglecting of domestic duties this Saturday morning. Dishes have been left unwashed and beds unmade; the Saturday's baking and boiling and sweeping have been left undone; bedies have been consigned to the care of others or brought along—all this, and more, yet we shall not hear a protest from pulpit or press or platform! These wives and mothers and sweethearts are simply "patriotic." How would it be if these same women citizens should spend an hour on elec-
