Catarrh Can be Cured By eradicating from the blood the scrofulous taints which cause it. Hood's Sarsaparille cures Catarrh, promptly and permanently, because it strikes at the root of the trouble. The rich, pure blood which it makes, circulating through the delicate passages of the mu cous membrane, soothes and rebuilds the tissues giving them a tendency to health instead of disease, and ultimately curing the affection.

At the same time Hood's Sarsaparilla strengthens, invigorates and energizes the whole system and makes the debilitated victim of catarry feel that now life has been imported. catarrh feel that new life has been imparted.

Do not dally with snuffs, inhalants or other local applications, but take Hood's Sarsaperilla and cure estarrh absolutely and surely by removing the causes which produce it.
