# Redistribution.

At the Ottawa Convention, in '93, repeal of the Franchise Act was called for and the Franchise Act has been repealed. The ger rymander system, introduced by the late as a result of popular feeling, it is stated that the Government will, before the next election, introduce legislation to redistribute the to express the hope that the Union Jack turn to the former principle of representation by counties.

#### Whether or Not?

Whatever the English government may expect; what, in the near or far future, her stateemen and diplomatists may discover is likely to arise on the horizon of national complications, the whole world is looking on, with absorbed interest, at the preparathe eventuality of war if war is forced upon with Russia or both conbined.

these powers may provoke the action of and one would look for at least an element-Britain's army and navy.

# Railway Accidents.

companies, and the rigid rules enforced, it is accidents and railway tragedies, the result of bing our own country of its bone and sinew. carelessness, misreading of orders, and other circumstances that should have been avoided, are occurring and being multiplied continually. Of course the railway companies interested are the chief financial losers and and their enforcement, is painfully and emphatically called for. Governments and rail-

It is scarcely satisfactory the consideration that, as compared with the complicated system of railways crossing the continent and the number of passengers carried, the accidents and loss of life are so few and small.

# About Hartland.

Individually and collectively the people of Hartland are netably loyal to Hartland which to them, in their public profession, at least, is the hub of the county. Whatever difference of opinion, on local matters, may occa- to hand : cionally ripple the usual complacency-and of any importance and especially in places where the spirit of progress is in evidence—instructor; he made an eloquent liberal plea.

H H McOain, M P P, and others made stir imity of expressed confidence in the present imity of expressed confidence in the present as preluding a greater future for Hartland; mover allowed to divert public thought from the all absorbing theme Hartland as the most progressive, promising and inviting of the centres of trade and population in Carleton county. We say the spirit of patriotism ton county. We say the spirit of patriotism to committee the centres of trade and population in Carleton county. #### The Earl of Minto.

It me e interesting to know something of the Governor General who is really not a stranger in Canada with which country he is well acquainted.

We find the foll wing in a contemporary He was for a time chief of the staff under General Sir F Middleton during the Northwest Rebellion. His name is mentioned with honor in the General's despatches. one occasion-and that was the most criti emergency of the war, he speaks of Lord Melgund as having been "of great service" and on other occasions he calls special attention to the timeliness and despatch wit which that officer had discharged his duties In Morgan's Canadian Men and Women the Time, we learn that His Excellency began bis military career in the Scots Guards in 1867, that he served as military secretary with the Turkish army on the Danube in 1877; in the Afghan campaign of 1879, with Lord Roberts, whom he afterwards accompanied as private secretary to South Africa

and in 1882, in Egypt, where he wounded. He was mentioned in despatches and thanked in general orders. In the folas military secretary to Lord Lanedowne and remained until 1886 Lord Minto is colonel with the rank of brigadier general, commanding the South of Scotland Volunteer Brigade. He has received the Afghan and Egyptian medals; the Medjidie and Khedi estor orders; the Northwest medal an lasp and the Volunteer decoration.

#### The Premier.

At the opening of the new school of Cor parative Jurisprudence and Diplomacy of Columbia university, at Washington, on the 5th, the audience included a large repre entation of the diplomatic corps in Wash-
