Correction: Coun G L Cronkhite asks us to make the following correction in his the paper last week :-

He is reported as saying "the Andover Court House and gaol, a mere rat trap, cost

As we intimated last week the time for closing the contest for the Business College Scholarship is rapidly approaching and those who want to take advantage of this grand opportunity will have to hustle. The scholarships are paid in full and there will not be one cent to pay for anything, as all books and necessary materials are furnished absolutely free, and the only thing they will have to pay for is board, and that may be obtained for from \$2,50 to \$3 00 per week. Besides giving the 50 votes for every subscription dellars worth of job printing. Send along your votes and secure a scholarship in one of

liberal views. So far as his health permitted he has always shown an active interest in all matters pertaining to the general good, and both himself and Mrs Whiteside will go away bearing with them the best wishes of the entire community.

Some councillors evidently were of opinion that Woodstock was keenly interested in ecuring the proposed change, Well, all we can say is that, if it was so, Woo'stock took the strange way of manifesting that interest by exhibiting a profound indifference; the only evidence given of caring about the matter was the proposed \$1,000 bonus by the Town Council. Woodstock has and must have the same interests at stake, as other portions of the country, she being a part thereof and, of course, the people of Woodstock would reasonably like to have, if the counting snoy called for the erection of a new contingency called for the extense was instructed to the country in the country to try and furnish some speaking side.

A report from vice-presidents being called for the evicit of the Oriminal Count. The defendants' lawyer made a strong fight in their behalf, but in spite of this the jury, after a short absence from the court returned a verdict of guilty in both cases. The Ohief Justice deferred sentence until the close of the stringe was instructed to do and how best to do it.

The Ecuture committee was instructed to do and how best to do it.

The Letture committee was instructed to do and how best to do it.

The Letture committee was instructed to do and how best to do it.

The Disturbency is the fight to the court of the inspecting officer regarding the evit Contingency called for the erection of a new Court House and gaol, those public buildings procure 4000 campaign tracts and distribute put up in town.
