Many prominent American newspapers, ult of the form of natural concept which protections the United States being a self-contained country, which can live within itself and Zolas home and furniture in Paris which even does not need to export or import were advertised for sale at auction to say produces to or from other countries, speece satisfy a judgment of 30,000 francs, ob-tained in a libel suit. His friends rallied Chesses Britain and the republic. The Chicago Interior, a leading Republican jourarticle, worth 120 francs to 32,000 francs and thus stopped the sale.

We read in a great daily paper a contemptation of the steempts of British country needs with the United States. This country needs

no allies-so is is affirmed. We are proud mighty, seif sufficient. We have no need of That paper, and such writers, tack perception to discers an influence that is mightier, both in this object, and Great Britain, than any interest of country and Great Britain. It is the Christian sentiment of the Angle-Saxon people. Let that secument be called forth people. Let that seaument be called forth by a crisis, and these selfish money getting statesmen would find themselves as helpless before it as they would be in the core of a burricane. The time might easily come when Great Britain or the United States would be in mortal peril. Whoever sees that will see

each an upricing of a mighty people as will electrify and appail the world. Two Succeseful Men. David R Forgan, now president of the As a life saver to mankind, I hereby state what Dr. A. W. Chase's K.-L. Pills did for me. For nearly four years I was greatly troubled with Constipation and general weakness in the Kidneys, and in my perilous position was strongly advised to use Chase's Pills, and to-day I can safely and truthfully state that they have saved my life.
