Saturday night. 'I have brought for your Majesty's inspection,' he said, 'some documents of great importance; but as I shall be obliged to trouble you to examine them in detail. I will not encroach on the time of your Majesty to-night, but will request your attendance to-morrow morning.

'To-morrow is Sunday, my lord.' 'True, your Majesty; but the business of the state will not admit of de-

The next morning the queen and the court went to church and listened to a agony sermon on 'The Christian Sabbath; its Duties and Obligations,' the queen having sent the clergyman the text from which he preached. Not a word was said about the state papers during the day, but in the evening Victoria said, 'To-morrow morning, my lord, at any hour you please -as early as seven, if you like-we will look into those papers.' · I could not think of intruding upon your Majesty at so early an hour replied the minister; nine o'clock will

The Soldier's Death Rate.

be quite soon enough.

London Tit-Bits: It is one of the risks of a soldier's career that, while in in congress, pleading an engagement, left time of peace his profession is the health- a small group of talkers in an up town iest of all, when war comes it is trans- hotel lobby, and an elderly man, whom formed at once into the most deadly of all callings. Under favorable conditions to tell a story about the departed. of peace the mortality among soldiers is . I have known him, he said, 'ever since practically the least known, with a deathrate of only 5 in every 1,000. Comparleast known, with a deathcollege he was undecided whether to beeven of a clergyman are full of danger; bills for taxation" every year. Catholic they undertake politics for the first time. priests die off more rapidly even than lawyers, at a rate of 18 per 1,000; and

Miraculous Escape from Death.

FEREUS, June 4 -While returning man's shoulder from Arthur last night about half-past 'My boy,' he said, as only he could say ten James Ready, of this place, who was it, 'it can't be politics and religion. It riding a bicycle, collided with a buggy, must be one or the other. You can't fit the shaft striking him on the left side of yourself for heaven and for the legislaand left ear and about one-third of the trying. That is all I can say, and you neighbors. scalp. The point of the shaft came out will have to make your own choice. behind his left ear. The horse took fright and he was carried thirty or forty pards on the shaft; the flesh giving way, he was thrown in the ditch. Medical aid was summoned at once and he was removed to his home, where all that was possible at the time was done to relieve the injured boy. Dr Groves found it necessary to put two silver screws through the jaw bone in order to make it rigid. The marvel is that the boy was not killed instantly. One inch higher and the shaft would have penetrated the eye, shaft was addest things in life is to the Century, "BROMA."

Gems of Thought.

Sincerity and honesty carry one through many difficulties which all the arts he can invent would never help him through; for nothing doth a man more real mischief in the world than to be suspected of too much craft; because everyone stands upon his guard against him, and suspects plots and designs where there are none intended: insomuch that thaugh he speaks with all the sincerity that is possible, yet nothing he saith can be believed .- Stillingfleet.

Twofold is the experience in which we need compassion and fellowship-in the time of responsibility and in the time of temptation. These are the two great lonlinesses of life-the lonliness of the height and the lonliness of the deep-in which the hearts needs to be sure of more than being remembered and watched God is not a God far away. He descends; he comes to our side; he battles for and suffers with his own .- George

Refinement is more of spirit than an accomplishment. All the books of etiquette that have been written cannot make a person refined. True refinement springs from a gentle, unselfish heart. Without a refined spirit a refined life is impossible.—Hazard.

It is the oreness of the soul's life with God's life that at once makes us try to be like Him and bring forth our unlikeness to Him. It is the source at once of aspiration, the more humbling -Philips

Protecting Cattle against Flies.

It has been estimated, says the Irish Home stead, that the loss in the United Kingdom in the value of hides, owing to perforations by warbles, amounts to fully one million powers by warbles, amounts to fully one million pounds a year. In addition to this the fear and they can gift this pounds a year. In addition to this the fear and they work considerable effect in cutting down the condition of the beeds. Should their expectations be fully one million would probably be deferred for many meads the following as a preventative: 4 or flour of subject to the pounds a year. The Japanese would not be condition of the beeds. This flour of subject to the pounds a green of the pounds a green of the pounds a preventative: 4 or flour of the pounds and the

er list of winners, and more speed producing sons and daughters. These stallions tie for honors, as the champion sires of 2.12 performers, both having the same number; but Alcantara leads all stallions as the sire of 2.15 race horses. Baron

Mambrino Patchen mares was George Wilkes .-These mares have more speed producing stallions sired by other stallions than by witkes. But the sons of George wilkes from Mambrino Patchen mares have sired more 2 15 speed than the others have in 2.30 The wilkes-Mambrino Patchen uni n is more fruitf 1 of 2.10 speed than all other lines of blood combined. George Wilkes has lines of blood combined. George Wilkes has 176 decendants in 2.10, and Membrino Patchen 145. Baron Almater has the three best lines from Mambrino Patchen, including a double cross of Alma Mater, his most successful daughter, and Alma Mater, his most successful daughter, and one of the most famous of speed perpetuators,

This magnificent inheritance is further strengthened by the blood of Allie West, through his performing and great speed producing daughter,
Rachel B 2.28½, the grandam of Baron Almater.

Allie West 2.26 was the champion 5 year old stallion of his time and considered the best son of Almont, but died in his sixth year. The few foals he left were highly prized,—and their speed producing descendents are valued more and more,—especially by Kentucky breeders. Baron Almater has the best line from allie West 2.26.

Back of all this, Baron Almater has a cross to sterling race horse, and sire of game trotters,

Back of all this, Baron Almater has a cross t William's Mambrino, who sired the dam of that Santa Claus 2.17; Ericsson, sire of William's Mambrino, was the champion 4 year old trotter of 1860, and sired the dam of Moquette 2.10, champion 4 year trotter of 1892. Alcantara, it will be remembered, was the fast est 4 year old of 1880; and George Wilues the champion tretting stallion from 1868 to 1871. BARON ALMATER'S inheritance is rich as the This horse is Wi'kes on both sides.

'What would you like to have it stuff. 'What would you like to have it stuffwith?'

default having been made in the payment thereof, be sold at Public Auction, in front of the office of Josiah R. Murphy, Barrister at-Law, on Queen 'Please, your honor,' replied the of Carleton in the Town of Woodstock, in the County 'Please, your honor,' replied the of Carleton in the Province of New Brunswick, July next, at the hour of two of the clock in the afternoon, the lands and premises mentioned and scribed as follows:

'As I reached home last night I saw ur cow running off down the road.'

'Well?'

'I chased her a mile and a half in a couring rain.'

'Catch her?'

'Yes. But when I got the old thing one hundred acres, more or less, excepting therefrom twenty acres conveyed to Frank Broadstreet. The lands hereby conveyed being the same lands conveyed to said David L. Parks by five different Deeds, viz.: Deed from william H. Hammond and with, dated the 13th emetery.

day of December, 1873, registered in Book M 2, page 664 of said Carleton County Records, December 16th, 1873; deed from William Gentle and a moss-grown tombstone. 'What do those first two words mean?'

'Well, er—I never heard that word 'jacet,' the young man stammered, after a moment's thought, but 'hic' is a word that's used to show a man is given to drink.'

'Pardon means tombstone. 'What do those first two words mean?'

Wite, dated March 24th, 1875, registered in Book O 2, page 426 of said Carleton County Becords. March 24th, 1875 deed from Sarah Parks, November 12th, 1875, registered in Book P 2, page 382 and 383 of said records Nov. 15th, 1875; deed from Thomas Currie and wife, date Nov. 12th, 1875, registered in Book P 2, page 383 of said Records. November 15th, 1875, and deed from Sarah A Hatfield. date 1 November 7th, 1883, and the same lands.

JOSIAH R. MURPHY.
