WASHINGTON LETTER.

[From our Regular Correspondent] Washington, Aug 3, 1900. The President's return to Washington, this week, revived all the rumors about the calling of an extra fession of Congress to deal with the Chinese situation, Officials deny these rumors and say that the news from China had nothing to do with the Pres-

dent's return and that he will go back to Canton in a day or two, after having disfers to do in Washington instead of in Canthis time is undoubtedly accurate, has had no effect whatever upon the policy of this

control of their own affairs. The charging of an official of Rathbone's high standing with the wilful thett of public funds, will be a blow at confidence in American instituie that American officials are equally as dishonest as their Spanish predecessors, but not

from getting caught." PARIS LETTER. (From Our Regular Correspondent) Paris, France, July 23, 1900.

Paris, France, July 23, 1900.

The giant university of the West that has lapanese under General Yamuchuchi and lapa been so splendidly endowed by Mr Rockfeller 10,000 Russians. The British force totals to the Boxers for the head of Major Waller, bas a most interesting exhibit at Paris, showing features of university work and experiing features of uni mental scientific apparatus. Many of the 'On August I a strong force of Chinese instruments shown were invented by Prof from the native city attacked Tien Tsin.
