of the Russian railways in Manchuria continues, and it seems not improbable that tinues, and it seems not improbable that Russia will be fully occupied for a time suppressing the insurrection among its subject Chinese and may be unable to send more troops immediately to Taku The powers look more and more to Japan to supply the force necessary at once to grapple with the formidable rebellion.

PARADING PEKIN WITH CHRISTIANS' BEADS

NEW YORK, July 1—The losses sustained in the horrible conflagration in Hoboken last night are tonight conservatively placed at nearly ten million dollars, but the loss of life will reach probably as high as two hundred and there are over three hundred men in the hospitals in this city, Hoboken and Jersey City, badly injured.

Up to 11 o'clock tonight eighteen bodies had been recovered. Eleven of these were placed in a row at the morgue in this city. NEW YORK, July 1-The losses sustained

placed in a row at the morgue in this city and numbered, this being the only means Tapestry Carpets, London, July 4, 4.30 a m.—Couriers who are arriving at the seats of government of the southern viceroys from their agents in Pekin, gave vivid, but fragmentary pictures of what is being enacted in the capital. These couriers seemingly left Pekin a day or two later than the messenger of Sir Robt Hart.

The only way the steamship officials have of approximating the loss of life is by comparing the list of those reported safe with the list of the employes on the steamships. Late tonight Gustave Schwab, the general ular prices. agent of the North German Lloyd line, gave out a list, showing what men on each vessel had been missing up to that hour. On the Saale two hundred and fifty five men were employed, and only one hundred and twentyeight of these had been accounted for up to 11 o'clock. leaving one hundred and eighteen men actually employed as officers, sailors, stewards, engineers, coal passers, oilers and trimmers, to be accounted for. The Bremen had two hundred and four men on board, but only 127 of these have been found. The Main had 137 employed on her at the time and, of these, only 76 have been reported

The scene of the great fire to day present ed a spectacular but horrible sight. Over in Hoboken, where two days ago piers reaching hundreds of feet out into the river and rising remnant of a high brick wall, are all that re-

be leved that a great many more bodies will be Lots of the young folk have gone to Fort recovered.
