## The Carleton Sentinel.

FRIDAY, JUNE 28, 1901.

Published by THE CARLETON SENTINEL PUBLISHING CO., at their Office, in VANWART'S BUILDING, King Street, Woodstock, up stairs.

THE price of wool in the American market has taken a big drop.

THERE are now six vacant seats in the Dominion House of Commons; two Conservative and four Liberal.

WE are pleased to learn from our St. John exchanges that Dr. Colter has been able, at least once, to visit his office.

It has been decided by the Supreme Court of Tennessee that women cannot be allowed to practice law in that State.

THE weather during the week has been excessively hot, but most favorable for the growing crops, which are all making rapid progress.

THE director general of public health has been advised that consumptives will hereafter not be permitted to enter the United States. As a result it is expected that many Canadians who have been accustomed to going south or west for the winter will hereafter be debarred from making the trip.

THE water in the river is down about to the lowest point, and the outlook for the drives is gloomy indeed. The men, we learn, have been taken off the upper corporation drive, and no further attempt will be made to move the logs until there comes a rise of water. John Kilburn has let his stream drivers go and his logs thus hung up are not likely to reach his mills this season.

## Methodist Conference.

The full conference of the N. B. and P. E. I. met in annual session at Marysville, on the 18th inst. There was a full attendance of clerical and lay delegates and the various sessions were full of interest; while matters of importance were discussed, upon which there was much variance of opinion, perfect harmony presided throughout.

The following were elected officers:—Rev. G. W. Fisher, president; Rev. A. D. McCully, secretary; Revs. G. F. Dawson, G. M. Young, and J. S. Gregg were appointed assistant secretaries.

The reports, submitted as a whole, were satisfactory. The increase of membership during the year was 205.

The supernumerary fund committee's report showed \$1,438.47 received from collections, a gain of \$44.73 over last year.

Rev. Dr. Evans, treasurer of the supernumerary fund reported: The amount of this fund is \$82,847.28. The income was interest \$4,913.32; from mission fund, \$700; from book room, \$200. There is also \$3,604.52 from ministers' subscriptions and \$3,759.30 from the circuits. These amounts, less expenses of \$572, make \$12,605.14. The claims of the supernumerary ministers are \$15,477.50, but the amount paid is \$12,072.44, therefore the fund has last year paid only about 78 per cent.

Rev. Dr. Paisley gave his report as agent for the augmentation fund of the supernumerary fund. The cash received from subscriptions is \$13,234.67. The balance due is the difference between this and the total promised, \$15,756.92.

Dr. Evans made the announcement that \$27,806.45 had, from various sources, been given to capital account, bringing it up from \$82,847.00 to \$110,553.00.

The statistical committee gave the amount raised for circuit purposes as \$69,373; for ministerial support, \$40,946, and for other purposes, \$23,422. Total for all purposes, \$133,741.

Leave of absence at their own request was granted to Rev. Dr. Brecken and Rev. Messrs. Lucas, Kirby, Tennant and Brewer.

The next Conference will be held in Sackville.

The locating of ministers in the Woodstock district is as follows:—Woodstock—J. C. Berrie, Canterbury—Geo. A. Ross, Jacksonville—James Crisp, Hartland—H. C. Rice, Richmond—T. Stebbings, Centerville—W. H. Spargo, Florenceville—Thomas Allen, Lindsay—J. Heaney, Andover—J. S. Gregg, Upper Kent—To be sent.

Rev. Mr. Marr goes to Courtney Bay.

The ladies of St. John's church, Richmond, are to hold a strawberry festival, Saturday, June 29th, at Alfred Beardsley's. All are cordially invited.

The bride's presents were many and costly, including a handsome lamp from lady friends; a silver bread tray from the Methodist choir of which the bride was a valuable member; an oak dining room table from the groom's friends, the presentation of which will be found in another column; and a very handsome sideboard from the fire department, of which the groom is a member. At Upper Woodstock, Friday afternoon last, Miss Edna M. Smith, daughter of D. W. Smith, and Walter F. Mott were united in marriage by Rev. Joseph Cahill. A very large number of guests were present at the interesting event. The bride was very neatly gowned in mauve silk grenadine, with white embroidered chiffon and applique trimming, and carried a bouquet of white and pink carnations. There was a handsome display of bridal presents, prominent among them being a costly brooch from the groom; dining room sideboard from bride's father; secretary, bride's mother; centre-table, Mrs. J. B. Mott; silver coffee pot, Mr. and Mrs. A. C. Smith; silver cheese dish, Mr. and Mrs. I. E. Smith; silver cake basket, Mr. and Mrs. B. F. Smith; gardener, Mr. and Mrs. Coleman Shaw.

The bride was becomingly dressed in dotted white muslin, trimmed with white ribbon. The bridesmaid was attired in pink silk. After the ceremony the guests participated in a choice marriage dinner. Many were the beautiful presents bestowed upon the bride.

## SOME RIOT AMONG SYRIANS.

Lawrence, Mass., June 25.—A feud as deadly as any ever started in the Blue Grass State has developed in the Syrian colony, in this city and as a result the Syrian colony on the plains near the corner of Oak and White streets was aroused in earnest tonight. In consequence, Abdella Jiblaty lies at the Cottage Hospital at the point of death and several other Syrians spent the night behind bars at the police station nursing wounds and bruises. The riot was a continuation on a larger scale of Monday night's row in the Valley street colony when eight disturbers were placed under arrest. This evening's disturbance commenced about 8 o'clock. Nearly 300 Syrians engaged in the fight. The signal for battle seemed to be a blow with a hammer on Abdella Jiblaty's head by some person not known. The fight had been in progress but a short time when a large delegation from the Valley street colony arrived on the scene 200 strong and took up arms against the Plains gang.
