## The Carleton Sentinel.

FRIDAY, FEBRUARY 28, 1902.

Published by THE CARLETON SENTINEL PUBLISHING CO., at their Office, in VANWART'S BRICK BUILDING, King Street, Woodstock, upstairs.

BLONDIN, suspected of the murder of his wife in June last, has been captured at New York.

THE German Prince Henry is meeting with an enthusiastic welcome by the people of the United States.

THE funeral of the late Wm. Speer, Benton, will be on Saturday, 1.30 p. m. Burial at Oak Mountain. The friends will appreciate the attendance of County Councillors.

At the opening of the County Court, St. Stephen, Judge Stevens was presented by the bar and grand jury with complimentary addresses, in recognition of the Judge's 89th birthday.

LORD MINTO, acting on his own initiative has invited Prince Harry of Prussia, now in the United States, to visit him at the Vice-regal residence, Ottawa. No answer to the invitation has as yet been received.

REV. MILES TRAFTON, pastor of the Reformed Baptist church, St. John, and Mrs. Trafton, on Monday evening, were unexpectedly waited upon by friends and presented with an address and a purse of \$32.00 and a handsome sideboard.

THE death of Coun. Wm. Speer makes vacant a seat at the County Council board, and a warrant for a new election for the parish of Woodstock, will, probably, soon issue. The mode of procedure at an election, to fill a vacancy, is the same as that followed at the regular election for councillors.

A FIRE at Amherst, N. S., on Saturday morning, destroyed the extensive erecting shop of Rhodes, Curry & Co., together with all its contents, consisting of eight box and seven flat cars ready to run out and a large number under construction, together with a large quantity of lumber. Loss, \$30,000; insured for \$20,000.

THERE was a large gathering at the nomination proceedings of a candidate for the Local Legislature for Kings county, at Hampton, on Saturday. Ora P. King, government, and F. M. Sproul, opposition, were nominated. The speakers were well received and given an attentive hearing. Judging from newspaper reports, the "honors of the day," were with the Government.

THE "appeal to farmers," which appears on the second page of this issue, will be carefully read by farmers and closely criticized. The writer is one of our practical, intelligent, pushing farmers, and would have given force to his article had he appended his own name thereto. The SENTINEL apologizes to the writer for the delay in publishing his letter, but it was unavoidable.

## The Hospital.

The matter of the establishment here of a general hospital, is being more and more discussed by our citizens generally and on one point there appears to be a general consensus of opinion and that is that a well equipped and properly conducted hospital would be a most valuable institution for the town and county at large, and that every possible effort should be put forth in order to secure it. The only difference of opinion on the question, is as to the fair probability of being able to meet the financial responsibility attaching to the permanent support of the proposed hospital. While we believe there should be no difficulty along this line, still it is a view of the subject which should receive most careful consideration.

The exchange of opinion now going on among our professional and representative men, will prepare the public mind for a more intelligent and wiser consideration of the question at the public meeting to be held at the Opera House, on the 11th inst.

The medical men of the town deserve credit for bringing the matter before the public, and the SENTINEL heartily hopes that this movement may be brought to a successful issue.

Owing to the prevalence of Diphtheria the school at Rutherford Glen has been closed and a number of residences quarantined. A few cases of death have occurred.

When you want Job Printing of any kind, call at the SENTINEL office.

## OBITUARIES.

## MRS. JOHN KELLY.

Mrs. John Kelly of Middle Simonds died very suddenly at her home on Sunday night. She had been in fairly good health, and retired on Sunday night as usual, but next morning was dead. The cause was probably heart disease. Mrs. Kelly was about 75 years of age, and was very highly respected. She leaves a family of three sons and two daughters, Josiah Kelly of Presque Isle, John E. Kelly of Island Falls, and Frank Kelly who lives at home, Mrs. Arthur Lang of Lowell, and Mrs. Charles Colwell of Simonds. Mrs. Kelly was a daughter of the late Squire Brown, who was well known in the upper part of the County many years ago. The funeral was held on Wednesday, and was largely attended. The Rev. Mr. Woodworth conducted the services.

## MRS. P. M. JONES.

Mrs. Priscilla M. Jones, widow of the late James Jones, passed peacefully away on Monday morning, at her residence, Richmond street, in the 81st year of her age. The deceased had enjoyed her usual good health up to a short time before her death. She leaves one son, W. S. Jones, of Boston, Mass., who was present at the funeral which took place from her late residence, on Wednesday morning at 11 o'clock and interment was made in the Methodist cemetery, Rev. W. B. Wiggins officiating at the obsequies.

## A Successful Entertainment.

The students of the Woodstock Business College were "at home" to their friends on Friday evening, Feb. 21st, in the college rooms, and a most enjoyable evening was spent by all. The following programme was rendered: Piano solo, F. Gordon Loane; reading, H. W. Martin; solo, H. Dunbar; address of welcome, Prin. A. W. Young; solo, F. Gordon Loane; address, G. H. Harrison; reading, H. W. Martin; solo, H. Dunbar; address, N. F. Thorne; Miss Hull, accompanist.

The rooms were artistically decorated with flags and bunting, and the blackboards were nicely ornamented with script combinations and business writing, presenting a very attractive appearance.

Mr. Harrison and Mr. Thorne complimented the management on the success of the school and believed that it was a good thing for the people of Woodstock. They found that in some ways it had acted as an incentive to harder work on the part of some of their own pupils.

There was a large delegation present, representing the Caribou and Houlton colleges. Mr. Hodgins, principal of the Houlton school, extended a cordial invitation to all present to attend the next social function of the Houlton college, during the second week of March.

After the programme was completed, games were participated in and a tasty lunch served. The evening passed altogether too quickly, and the hope was expressed that it might be only the first of many pleasant evenings with the students of the Woodstock Business College. About 160 were present.

## C. H. LUGRIN RETIRES.

(Victoria, B. C., Colonist.)

Readers of the Colonist will receive with regret the announcement that Mr. C. H. Lugin has severed his connection with this paper. Mr. Lugin has been identified with the Colonist for so many years, and his virile, trenchant articles have been for so long a daily pleasure to many of its readers, that his loss will be greatly felt. The reasons for his relinquishing the editorial chair are matters which concern only himself and the management, and may not be touched upon here, but his retirement is a cause of sincere regret to every member of the Colonist staff, who hold him in the highest esteem and wish him every success in his future, wherever it may be cast.

Evans, Toronto, and contains a complete line of sponges to the value of \$100. The genial proprietor is continually adding the very latest, in his line, to his already up-to-date store.

On the invitation of Mr. Robert Phillips of Grafton, the choir of the F. B. Church with pastor Currier participated in a most enjoyable treat on the 22nd inst. The party numbering a score of persons, left Gallagher Bros livery stable in two buckboards, and drove to Jacksonville, thence to Waterville and from there to Hartland, bringing up at the Commercial hotel. Here the party was joined by some invited Hartland guests. Previous orders from Mr. Phillips caused a rich dinner to be in readiness, to which it may be believed the fullest measure of justice was done. After dinner the company repaired to the parlors and some time was enjoyed in games and music. A vote of thanks was tendered Mr. Phillips for affording his guests such an exceedingly enjoyable outing and the homeward start was made, which terminated safely. Among the pleasant memories of life, to those who participated in the drive and feast, not the least will be the generous conduct of Mr. Phillips.

Simon Adams, the keeper of the Alms House, while loading lumber about Hayden's mill, on Wednesday, had his leg broken, by the falling of a board pile on him. Dr. Rankin was called.

The president, Miss Ella Smith, had charge, there was an interesting musical and literary programme, everybody enjoyed themselves and between \$10 and \$11 were realized.

The Albert Street Baptist Church was not large enough to hold those who desired to be present at the evening service last Sunday. The pastor, Rev. W. A missionary meeting was held in the Methodist Church, Jacksonville, Monday evening, Rev. James Crisp presided and read a portion of Scripture, after which Rev. J. C. Berrie led in prayer. They employ the best turner in the Province and their work is guaranteed, and it will pay you to give them a call before purchasing elsewhere. Corner Green and Elm Streets, near Small & Fisher's Foundry.

The employees of Connell Bros. foundry, to show the esteem in which they held their late shopmate, Albert Fields, who is now employed at Cabano, Quebec, ordered an expensive spirit level from Boston, and forwarded it to him recently. The spirit level was accompanied by an address, signed by the employees, in which many kind things were said about Mr. Fields as a fellow workman and prominent citizen.

Immediate attention must be given to this matter.

Before the breaking up of sleighing, advantage is being taken of the fairly good roads by buckboard parties. On Monday evening Gallagher Bros small buckboard was in use by a driving party around town, and the same evening the large buckboard carried a jolly crowd of young people to a dance at Red Bridge; the same buckboard, on Wednesday evening, carried a large party to the residence of Frank Lockhart at Hartford.

The Meeting held under the auspices of the Lord's Day Alliance in the Methodist Church, Sunday evening was fairly well attended, coming as it did after the other services of the day. Mr. R. E. Holyoke presided, Rev. Chas. A. Lyons offered prayer and Rev. J. C. Berrie read Scriptures. The chairman made a short address, followed by the reading of the minutes of former meeting by Mr. S. J. Parsons, who made a few remarks. The Rev. W. B. Wiggins, A. B., then spoke to the subject of the Lord's Day as a day of rest; its needs, observance, and necessity to our whole nature, Body, Soul and Spirit. Here Mr. H. P. Baird asked permission to offer a few words of explanation, stating for himself he did not allow anything but necessary articles to be sold on Sunday and, in answer to one of the speakers, said he believed the other drug dealers did not sell cigars, soda water, etc Sunday, and had not for at least two years past. After a hymn, Rev. Chas. A. Lyons gave a practical brief address on the need of our keeping the fences high about our Lord's Day, while the nation is young. When we became many millions in population it might be impossible. The doxology and benediction closed the meeting.

## THE GRAND CHORUS.

The programme prepared for the grand popular concert, with the help, and the benefit of our local chorus, is most attractive.

The chorals numbers by the Festival Chorus are the brightest and most popular of the new music for the coming Fall Festival, the selections by the soloists are brilliant and varied.

Madame Bouton will sing one operatic aria, and a group of English songs.

Mr. Archambault will sing some of his greatest French songs, and Mlle Josefa will play her most pleasing solos on the violin. The local conductor Dr. Baker will assist Mr. Chapman in conducting the programme.

The following sketches of these artists may be of interest.

Madame Isabelle Bouton was born in Daubury, Conn., and has sung in public since she was fifteen years old. Her studies were under the directions of the best teachers, and her voice is well trained and thoroughly under control. She has been a member of the Grau Opera Co., for two seasons, and was the leading contralto of the Boston Festival Orchestra tour.

Mr. Francois Archambault was born at Assumption, ten miles from Montreal, of French Canadian parentage. He took a college course at Montreal, and while there studying attended a performance given by the Grau Opera Co. Between the acts he was called out to sing "The Palms." As his glorious voice rang out, Plancon came in front of the curtain and listened. As he finished Plancon exclaimed, "I did not expect to come to Montreal to hear another Plancon."

Mlle Marie Josefa Schaller was born in Chicago, and as a small child showed great musical ability, and played with skill in concerts when only 12 years old. She has been in Europe for four years, and the greatest teachers on the violin were interested in her ability and progress and have given her letters of endorsement. She is only seventeen years old.

## New Liberal League.

London, Feb. 26 — Lord Rosebery, has authorized the formation of a new Liberal League with himself as president and H. H. Asquith, Sir Henry Fowler and Sir Edward Gray as vice-presidents, to act, as it is authoritatively announced, in conjunction with the rest of the Liberal opposition on the lines of the policy expressed in Lord Rosebery's speech at Chesterfield. This rather ambiguous announcement is probable Lord Rosebery's first practical move to test the strength of his following among the Liberals.
