

**STARVED**

Slow growth of hair comes from lack of hair food. The hair has no life. It is starved. It keeps coming out, gets thinner and thinner, bald spots appear, then actual baldness.

The only good hair food you can buy is—

**Ayer's Hair Vigor**

It feeds the roots, stops starvation, and the hair grows thick and long. It cures dandruff also. Keep a bottle of it on your dressing table.

It always restores color to faded or gray hair. Mind, we say "always."

\$1.00 a bottle. All druggists.

"I have found your Hair Vigor to be the best remedy I have ever tried for the hair. My hair was falling out very bad, so I thought I would try a bottle of it. I had used only one bottle, and my hair stopped falling out, and it is now real thick and long."

**IF YOU CATCH COLD.**

Many things may happen when you catch cold, but the thing that usually happens first is a cough. An inflammation starts up in the bronchial tubes or in the throat, and the discharge of mucus from the head constantly poisons this. Then the very contraction of the throat muscles in the act of coughing helps to irritate so that the more you cough the more you have to cough. It is, of course beyond question that in many cases the irritation started in this way results in lung troubles that are called by serious names. It is in this irritated bronchial tube that the germ of consumption finds lodgment and breeds.

Great numbers of people disregard cough at first, and pay the penalty of neglect. Cough never did any one any good. It should be dispensed promptly. Adamson's Botanic Cough Balsam is a well-known remedy, and it is the safest and quickest cough cure known to-day. It does not deceive by drugging the throat. It soothes the irritated parts and heals them, then the cough stops of its own accord. The action of this medicine is so simple that it seems like nature's own provision for curing a cough. Every druggist has it. 25 cents. Be sure to get the genuine which has "F. W. Kinsman & Co." blown in the bottle.

**A Hugging Society.**

The Church Hugging Society, organized recently at Belle Centre, Ohio, is raising no end of disturbance there and at other points in the state. It was at first proposed rather as a joke by some fun-loving girls connected with the little village church, but created so much excitement that the society was formally organized, with B. C. Bates as President and Miss Idella Dennison as acting Secretary. The schedule approved is as follows: Girls under 15 years of age, 15 cents for a hug of two minutes, or 10 cents for a short squeeze; under 20 years, 50 cents; from 21 to 25, 75 cents; 30 or over, 40 cents; other men's wives, \$1; old maids, 3 cents each and no time limit. The society has forty-three members, and an up-to-date performance was given a long schedule lines. The older people of the church are up in arms.

Children of J. W. McGinn, Woodstock, Ont., had scrofula sores so bad they could not attend school for three months. When different kinds of medicines had been used to no purpose whatever, these sufferers were cured, according to Mr. McGinn's voluntary testimonial, by
