HINTS FOR GIRLS.

How to Preserve Health And Good Color.

PALE, SALLOW, OR ANAEMIC GIRLS RESTORED TO THE BRIGHT FRESH-NESS OF YOUTH BY NATURAL MEANS-GOOD HEALTH WITH-IN THE REACH OF ALL.

From The Sun, Orangeville, Ont.

Miss Maggie Brownlee, of Orangeville, is a young lady well known to the residents of the town and greatly esteemed by all her acquaintances, like thousands of other young girls throughout Canada, Miss Brownlee fell a victim to anaemia or watery blood, and for a time, as she says herself, feared she would never again herself, feared she would never again enjoy robust health. Experiences like Miss Brownlee's cannot fail to be of benefit to other pale and anaemic girls, and for this reason she very kindly consented to give a statement to the Sun for publication. "My illness," said Miss Brown, lee" came on very gradually, and at first it merely seemed as though it was a feeling of depression and tiredness. I kept getting worse, however, and finally had pression and tiredness. I kept getting worse, however, and finally had to give up a good position. I was at times troubled with a throbbing, racking headache, my appetite gave out; the least exertion tired me, and my heart would beat painfully. My limbs seemed to feel like weights, and at other times there was a sinking sensation which I can scarcely describe. I was treated by a good doctor and took a number of remedies, but without any improvement in my condition, and I began to fear that I was doomed to be an invalid. One day a friend who called to see me spoke friend who called to see me spoke very highly of Dr. Williams' Pink Pills, and what she said interested my mother so much that she bought a few boxes. I began taking them, and in the course of a few weeks there was no room to doubt that there was no room to doubt that they were helping me. I continued taking the pills for a couple of months or more, when I felt as well and strong as ever I had been. It is about a year since I gave up taking the pills and I have not since felt the need of any medicine. I think Dr. Williams' Pink Pills a grand medicine, and should be taken by all pale and feeble girls."

Dr. Williams' Pink Pills make rich,

red blood with every dose taken, thus restoring the bloom of health and the brightness and freshness of youth to pale and shallow cheeks. Through their action on the blood they cure such diseases as anæmia, nervousness, headache, rheumatism, dyspepsia, St. Vitus' dance, heart troubles, diseases of the kidneys, etc. These pills also cure the ailments that make the lives of so many women a constant misery. Sold in boxes, the wrapper around which boxes, the wrapper around which bears the full name—Dr. Williams' Pink Pills for Pale People. Can be procured from druggists, or will be sent by mail, post paid, at 50c. a box or six boxes for \$2.50, by addressing the Dr. Williams' Medicine Co., Brockville Ont.

New Brunswick Winner.

Brockville, Ont.

Seven young men and a young woman, students at the University of Pennsylvania, competed recently for positions on the team which will oppose the University of Michigan team in the Academy of Music on March 7. The subject chosen for the conat 1 o'clock in the morning by rushing his cattle at the fence, broke his way through the line mixed up with the cattle, and losing three men killed.

Many attempts were made to break through the line on the night of Feb. 7th, reports Lord Kitchener, the line outposts being attacked at various places. But very few escaped, and ten dead Boers were picked up in the morning near Heilbron.

"Resolved, that a system of compulsory voting should be adopted." The first prize of \$75 was won by John Wallace De Beque Farris, son of Hon. L. P. Faaris, of Queens county, who is taking a law course at Pennsylvania University course at Pennsylvania University.

THE CARE OF BABIES.

GREAT RESPONSIBILITY RESTS ON ALL MOTHERS-BABY SHOULD AL-WAYS BE BRIGHT AND CHEERFUL.

Babies that are well, sleep well, eat well, act well and play well. A child that is not lively, rosy-cheeked and playful, needs immediate attention or the results may be serious. Prudent mothers should always keep ready at hand a safe yet effective medicine to administer to their little ones as emergency arises. Such little ones as emergency arises. Such a medicine is Baby's Own Tablets. These Tablets do not act as the so-called "soothing" medicines do. They do not have a deadening or stupefying effect, but on the contary go right to the seat of the trouble and by removing it cure the child and prevent a recurrence of the difficulty. All months who have used this medicine praise it and always keep it in the house. Mrs. G. Baines, Six Mile Lake, Ont., says — "The Baby's Own Tablets which I ordered came just in time. My baby was very ill with indires. My baby was very ill with indiges-tion and bowel trouble, but I am hap-py to say the Tablets relieved him after a few doses and he is now doing splendidly, with just a Tablet now and then when a little restless. I am the mother of eight children, and I must say I have never had a medicine I thought as much of as Baby's Own Tablets, and I have tried all the old remedies. I think mothers

ments of children, such as constipa-, sour stomach, colle, diarrhæa indigestion and simple fever. They break up colds, prevent croup and allay the irritation accompanying the cutting of teeth. They are for children of all ages, and, dissolved in water, can be given with absolute safety to the youngest infant. Sold by all druggists at 25 cents a box, or sent postpaid on receipt of price, by addressing the Dr Williams' Medi-cine Co., Brockville, Ont.
