WANTED!

AN energetic man to solicit subscriptions and look after collections in this County for THE CARLETON SENTINEL. To any person capable of doing satisfactory business, a very tempting offer will be made. Apply in person, or by letter, to THE CARLETON SENTINEL PUBLISHING CO., Ltd., King Street, Woodstock, N. B.

An Englishman went for a holiday to a small village in Scotland where there were famous echoes. Being rather skeptical as to whether they were really echoes or not, he got a man to take him round to some of the best places. He spoke in such a tone of command that the man was annoyed, and determined to take the stranger down, he took him to a hill just before the ale house door and said: 'Shout as loud as you can.' Two pots of beer. Not noticing, where he was, the gentleman did so and then remarked: 'I don't hear any echo.' 'Neither do I,' said the guide, 'but here's the man with the beer.' The gentleman paid.

Lawyer (examining witness)—'Where was your maid at the time?' Lady—'In my boudoir, arranging my hair.' Lawyer—'And were you there also?' Lady (indignantly)—'Sir!'

Even in ordinary life the unselfish people are the happiest—those who work to make others happy and who forget themselves. The dissatisfied people are those who are seeking happiness for themselves.

C. C. RICHARDS & CO.

Dear Sirs,—A few days ago I was taken with a severe pain and contraction of the cords of my leg, and had to be taken home in a rig. I could not sleep for pain, and was unable to put my foot to the floor. A friend told me of your MINARD'S LINIMENT, and one hour from the first application, I was able to walk, and the pain entirely disappeared. You can use my name as freely as you like, as I consider it the best remedy I have ever used.

CHRISTOPHER GERRY, Ingersoll, Ont.

'If you'll notice,' said Finnich, 'the poets invariably say "she" when referring to the earth. Why should the earth be considered feminine?' 'Why not? Nobody knows just how old the earth is.'

A Timely Suggestion.

This is the season of the year when the prudent and careful housewife replenishes her supply of Chamberlain's Cough Remedy. It is certain to be needed before the winter is over, and results are much more prompt and satisfactory when it is kept at hand and given as soon as the cold is contracted and before it has become settled in the system. In almost every instance a severe cold may be warded off by taking this remedy freely as soon as the first indication of the cold appears. There is no danger in giving it to children for it contains no harmful substance. It is pleasant to take—both adults and children like it. Buy it and you will get the best. It always cures. For sale by all druggists.

The Germs of Catarrh
Not only attack the passages of the head and throat but finally reach the lungs and cause consumption. Nothing destroys catarrh so quickly as Chamberlain's Catarrh-ozone which relieves the cough, stops the discharge, takes all soreness the throat. "I consider Catarrh-ozone has no equal as a cure for catarrh and lung trouble," writes Jas. E. Wetherell of Brighton. "It cured me after many good doctors failed to even relieve my trouble." Catarrh-ozone can't fail to cure—it's guaranteed. Two months treatment \$1.00; trial size 25c.

'What do you think would happen if Diogenes were to go through the streets of one of our big cities with his lantern looking for an honest man?'

'The chances are,' answered the Chicago man, 'that some footpad would hold him up and take away his lantern before he had gone three blocks.'

One in Four Persons.
One person in every four suffers more or less from itching piles. Some do not know the nature of their ailment, and others have not heard of Dr. Chase's Ointment as the only absolute and guaranteed cure for this distressing disease. If you are a sufferer ask your neighbors about this great preparation. It has grown popular as a result of the news of its merits being passed from friend to friend.

Tom—I thought he would marry the widow.

Dick—Oh, no! I believe she didn't strike him at all.

Tom—Why, I understood she simply threw herself at his head.

Dick—No doubt that's why she didn't strike him.

Piles
To prove to you that Dr. Chase's Ointment is a certain and absolute cure for each and every form of itching, bleeding and protruding piles, the manufacturers have guaranteed it. See testimonials in the daily press and ask your neighbor what they think of it. You can use it and get your money back if not cured. 50c a box, at all dealers or EDMANSON, BATES & CO., Toronto.

Dr. Chase's Ointment

'Paw,' said little Tommy Figg, on being scolded, 'I heard Mr. Watts say that great men's sons never did any good. I ain't a great man's son, am I?' Up to a late hour Mr. Figg's mind had not found a sufficiently diplomatic answer.

A squire of Andover once hired a brother of Patrick, who was in his employ. The terms were made with Pat before his brother's arrival, and the following conversation ensued: Squire—'I'll pay your brother one fifty a day, Patrick.' Patrick (bowing and smiling)—'Yis, sor; yis, sor; and will he ate himself, or will ye ate him, sor?'

The squire thought that Dennis had better eat himself. Agnes—'Oh! I'm not unreasonable, but the man who marries me must at least be brave! Hilda (her youngest sister)—'I should just think so dear! The bravest of the brave!'

'Mary, I saw the baker kiss you today. I think I shall go down and take the bread in future.' 'I wouldn't be no use, ma'am; he wouldn't kiss you, 'cos he promised he'd never kiss anybody else but me.'

He was talking to the pessimistic, sharp tongued damsel. 'Have you noticed,' he asked, 'that as a rule, bachelors are wealthier than married men?'

'I have,' she replied. 'How do you account for it?'

'The poor man marries and the rich one doesn't,' she answered. 'A man is much more disposed to divide nothing with a woman than he is to divide something, you know.'

'I admit I done wrong, Judge,' pleaded the prisoner, 'but gimme another chance, won't yer?'

'Not now,' replied the magistrate, 'but I'll give you another trial if you're ever brought before me again.'

Premier Canadian Marksman.

At the conclusion of the presentation of the prizes won at the regimental matches of the Royal Grenadiers, Colonel Gibson, who was present, intimated his wish to make a special presentation, of which there had been no previous intimation or knowledge. He referred to the distinction which Sergt. Mortimer had attained, and regarding which, in his view, far too little had been said, while those who won championships in lawn tennis, golf and such like sports were loudly extolled. At Bisleigh, in shooting for the Kolapore Cup, Sergt. Mortimer beat the best of the whole empire, making 102 out of a possible 105. Again at the D. R. A. in August, he won the Governor-General's prize. For these achievements Sergt. Mortimer was entitled to more than passing notice. Col. Gibson therefore presented Sergt. Mortimer with a special prize, consisting of a dozen sterling forks, a dozen silver dessert spoons and a dozen silver teaspoons.

Let us Pay

For a 50c. Bottle of Liquozone, to Show You What it is.

If you suffer from a germ trouble, let us buy a bottle of Liquozone and give it to you to try. It is liquid oxygen—the best thing in the world for you. And in germ diseases it does what all medical skill cannot do without it.

We had faith enough in it to pay \$100.00 for the simple right to make it. We know its results so well that we will gladly pay for your test. Won't you, if you need it—in simple fairness to yourself—have faith enough to send us this coupon?

Just Oxygen.

Liquozone is simply liquid oxygen—no drugs, no alcohol in it. It is the discovery of Pauli, the great German chemist, who spent 20 years on it. His object was to get such an excess of oxygen in staple form into the blood that no germ could live in any membrane or tissue. Oxygen is life to an animal—the very source of vitality. We would die in three minutes without it. In this liquid form its effects are exhilarating, purifying, vitalizing. But germs are vegetables, and this excess of oxygen is deadly to vegetable matter.

We Offer \$1,000

on every bottle of Liquozone for a germ that it cannot kill. And there is no other way to kill germs in the body without

Lumbago and Pains in the Back

Totally disabled this Merchant-Physician failed, but Dr. Chase's Kidney-Liver Pills cured.

MR. THOMAS A. EMBREE, general merchant, Springhill, N.S., writes—

'As the result of a severe cold settling on the kidneys, I contracted kidney disease, which lingered for years, causing me much suffering from terrible pains in the back. For some time I was entirely unable to work, and though I tried several physicians I could only obtain slight temporary relief.'

'Having heard of the merits of Dr. Chase's Kidney-Liver Pills in many similar cases, I began to use them, and after using seven boxes was completely cured. The cure was due entirely to the use of this grand medicine, which has since cured several persons to whom I recommended them.'
