

## A Cure For Rose Cold Hay Fever and ASTHMA

A prominent New York lawyer in an unsolicited testimonial says: "HIMROD'S ASTHMA CURE cured me when all other remedies failed. Physicians' prescriptions did not even relieve. For years I have been a sufferer of Rose Cold with all of its annoying symptoms, such as constant sneezing and itching watery eyes. Himrod's Asthma Cure is the only remedy that has cured a Rose Cold of years standing. No words can express my appreciation of its effectiveness."

The late (Dr.) Oliver Wendell Holmes in his book "One Hundred Days in Europe" says: "I have used all remedies—Himrod's Cure is the best. It never failed."

The Emperor of Austria is expected to visit England in a few weeks. Francis Joseph is the most interesting European monarch of our time. Around his throne have circled political passion as well as domestic embroilments of an unusual character.

**Rheumatic Pains Cured by Nerviline.**  
This is the testimony of Mr. Benjamin Dixon of Leeds, Ont., who says: "I feel it my duty to proclaim the marvellous value of Polson's Nerviline as an infallible cure for rheumatic pains; it cures them every time. Nothing I know of equals it as a household liniment, and, moreover, should feel it as necessary as bread itself. Nerviline has cured rheumatism of 30 years standing, and can cure you. Instant relief, absolute cure, large bottle 25c."

The complete list of Barrie's plays, with the year of production, is as follows: 'Walker, London,' 1892; 'Jane Annie,' 1894; 'The Professor's Love Story,' 1894; 'The Little Minister,' 1897; 'The Wedding Guest,' 1900; 'Quality Street,' 1902; 'The Admirable Crichton,' 1902; and 'Little Mary,' 1903.

## Shouting Isn't Proving

Is the matter of the so-called Catarrh Cured? Others praise and promise; we perform and prove.

**Dr. Agnew's Catarrhal Powder** is a powder put in the nostril, not in the mouth. It is not a remedy but the cure, and the healing effect is felt at once. The breath will come freely, filling the system with a new vigor. Colds and Catarrh are relieved, and headache fully cured in ten minutes.

Catarrh of twenty years' standing cured in a few days.

Hon. George Taylor, the well known politician, of Scranton, Pa., writes: "Effect of Dr. AGNEW'S CATARRHAL POWDER can truly say was magical. First application cleared my head instantly. I used it according to directions and I have not had the slightest symptoms since."

**Dr. AGNEW'S LIVER PILLS** make even a high liver a long liver. For dullness of the skin, eruptions, languor and bowel irregularities, every pill is as good as a physician, although they cost only ten cents for forty doses.

'Did I understand you to say that this boy voluntarily confessed his share in the mischief done to the school house?' asked the magistrate, addressing the determined looking female parent of a small and dirty boy.

'Yes, sir, he did,' the woman responded. 'I just had to persuade him a little, and then he told me the whole thing voluntarily.'

'How did you persuade him?' queried his worship.

'Well, first I gave him a good hiding,' said the firm parent, 'and then I put him to bed without any supper, and took his clothes away, and told him he'd stay in bed till he confessed what he'd done, if 'twas the rest of his days, and I should thrash him again in the morning. And in less than an hour he told me the whole story voluntarily.'

Dear Sirs,—I have great faith in MINARD'S LINIMENT, as last year I cured a horse of Ring-bone, with five bottles.

It blistered the horse but in a month there was no ring-bone and no lameness.

'One certainly meets with experiences travelling,' remarked a well-known drummer who came into town to-day. 'On the way to Chicago from the east, I awoke in the sleeper in the morning to find a boot and a shoe under my berth instead of the pair I had left there the night before. Not wishing to appear thus in public, I called the porter and showed him the error. He appeared somewhat bewildered, and finally remarked in a tone of mingled perplexity and surprise:

'Well, dat suitin'ly an mighty peculiar. Hit's de second time dat's happened dis mawnin'.'

Tendency of Catarrh is to Spread.  
Just a slight matter at first, and because slight, neglected; but the seed sown brings forth a dangerous harvest, Consumption, which is the harvest of death. Better spend a few moments each day inhaling Catarrhazone, an aromatic antiseptic that relieves at once, clears the nasal passages, and restores lost sense of taste and smell. The immediate effect of Catarrhazone is magical, so prompt and efficient. Cure is certain and permanent if you use Catarrhazone. Price \$1. Small size 25c, at Druggists or Polson & Co, Kingston, Ont.

'What is your rule of business—your maxim?' was asked of the successful stock broker.

'Very simple,' he answered. 'I pay for something I can't get with money that I haven't got, and then sell what I never had for more than it ever cost.'

**A Wonderful Book.**  
As a work for family reference there was probably never compiled a more useful book than Dr. Chase's Receipt Book. Besides containing the symptoms of disease, their cause and cure and the great prescriptions gathered together during half a century of medical practice, this book is replete with receipts for cooking and has a complete department devoted to the care of farm stock, bees, domestic animals, etc. For full particulars write Edmanson, Bates & Co, Toronto.

'It must be admitted,' said the courtier, 'that our Emperor has simplified education wonderfully.'

'In what way?'

'In order to answer the questions, Who is the greatest general, diplomat, critic, poet and playwright, it is necessary only to mention his name.'

**This is What They Say.**  
Those who take Hood's Sarsaparilla for scrofula, eczema, eruptions, catarrh, rheumatism or dyspepsia, say it cures promptly and permanently, even after all other preparations fail. You may take this medicine with the utmost confidence that it will do you good. What it has done for others you have every reason to believe it will do for you.

Constipation is cured by Hood's Pills. 25c.

'Don't you think it would be a good thing to denounce the trusts?' 'What's the use?' said Senator Sorghum. 'The public wouldn't believe a word of it, and some of the trusts might take it in earnest and be annoyed.'

The Bishop of Worcester was the guest of the Authors' Club at a recent dinner, and, replying to the toast of his health, his lordship said that there had been in reality but one event in his literary career. He had once been accused of wrongly using a verb, and, on turning up the word in the New English Dictionary, he found himself confronted with the very quotation in question from one of his own books—a standing rebuke to him for his bad grammar, as it was the only known instance of that particular use of the word.

Minard's Liniment cures Distemper.

Poet—I can make no mistake in saying her cheeks are like the rose. Friend—But you have never met her.

Poet—That matters not. If she is blushing there are red roses; if she is pale there are white roses, and if she is sallow, there are yellow roses.

Use Lever's Dry Soap (a powder) to wash woollens and flannels,—you'll like it.

A pretty rosy cheeked country girl entered one of the large department stores in New York one day this week. It was bargain day, and the crowd was greater than usual. She had wandered about from floor to floor a little bewildered at the magnitude of the establishment, the largest she had ever seen.

Seeing her, a floorwalker approached and said: 'Is anybody waiting on you?'

'Yes, sir,' said the girl, blushing to the roots of her flaxen hair, 'he's outside; he wouldn't come in.'

A Negro preacher used the word "phenomenon" freely in his sermon, and was afterward asked to explain it. He expressed it thus:

'Bredren, if you see a cow, dat not a phenomino; if you see a thistle, dat not a phenomino; if you hear de bird sing, dat not a phenomino. But if you see de cow sitting en de thistle and singin' like de bird dat would be a phenomino.'

'Why is it,' he asked, 'that beautiful women are almost the most stupid?'

'Sir,' she replied, 'am I to understand that you desire to cast reflections upon my mental capacity?'

'Oh, no,' he hurriedly returned; 'I have always said that you were one of the cleverest girls I ever—'

But he didn't finish. Before he could do so he realized that he had said the wrong thing, and could never make it right.

**Thinner Than a Rail.**

Spending every day, as much energy as you make, and if the balance goes a little further, well, you get thinner. Not wise to go that way longer. Better use Ferrozone, you will digest more—a little gain the first week, but the gain keeps growing. Not quite so thin! Keep right on, only don't use Ferrozone too long or you will get too fat. Then your blood will be rich, your heart strong, you won't puff so much, you won't get tired quickly. Fat, blood, strength, you have them all with Ferrozone. Sold by all druggists.

Ha—So the engagement is broken off?

She—Yes. He told her he thought she should stop reading novels and read something more substantial; something that would improve her.

He—Well? She—Well, the idea of a man intimating to his fiancée that she could be improved in anyway?

"Clubfoot" in cabbage results mostly when cabbages are raised on the same land year after year. A change of location is always desirable. The free use of wood ashes, chopped in around each plant, is a remedy, but it is not always effectual. The polish of the ashes destroys the maggot which does the damage, and an excellent mode is to mix the ashes in water, make a few holes with a stick around the plant and pour the mixture in, which is a laborious occupation, however, where there is a large field devoted to the crop.

Esperanto, the proposed new international language, continues to make wonderful progress. It is founded upon words which resemble each other in the different languages of Europe; and is said to combine the simplicity of English grammar with the German arrangement of sentences and the soft rhythmic flow of the Italian. An English-Esperanto dictionary will shortly be published.

In a recent issue, the *Victoria Colonist* says: Still another carload of fruit is being shipped to-day by Messrs F R Stewart & Co., Yates street, to Winnipeg, consisting entirely of Victoria and vicinity products. The car is made up of packages of apples, pears, plums and prunes of a quality that need fear no competition in the east. Messrs Stewart & Company have already on hand the preparation of two and probably three more carloads to be despatched next week to the same destination."
