Nervous Headache

MRS. C. BATTISON,

some time I was a sufferer some time I was a sufferer from nervousness, dizziness, nervous headache and rheumatism. I had the rheumatic pains for about three years. Several weeks ago I began the use of Dr. Chase's

Mrs. Battison Nerve Food and Dr. Chase's Kidney-Liver Pills, and have found that these medicines worked together most satisfactorily in my case. I have taken altogether several boxes of the Nerve Food and am now entirely cured of my old trouble. I know of others who have used these preparations and been cured, and I can therefore heartily recommend them."

ANN'S AGE.

Many solutions have been offered of the problem which emanated from Harvard University and is now, going the rounds of the press all over America. The Kansas City "Journal's" answer is one of the most humorous if also most wide of the mark.

"Mary is twenty-four years old. Mary is twice as old as Ann was when Mary was as old as Ann is now. How old is Ann now? Constant

"Ann is sixty-three years of age," declares the Kansas City "Journal," and proceeds to reason it out in this wise: "Obviously, Ann is as old now as Mary was when Mary was Strengthens and tones the stomach and half as old as her present age less the whole digestive system. the age of Ann at the time she was as if she were twice Mary's present of high rank. age, less Ann's age when she was When Princess Helena of Russia twice as old as Mary is now, or suddenly broke her engagement twenty-four. The right answer is eighteen years. Mary is twenty-four years old now. When Ann was half that age (twelve years) Mary was, of tune, was Napoleon Bonaparte's course, eighteen. That was six rival in the affection of Marie Louise, years ago, and therefore Ann is eighteen now. This fulfils all the conditions of the problem .- Saturday Night.

HER BLOOD TURNED TO WATER

nicious Anæmia-Cured by the Great Blood-maker

FERROZONE.

"About a year ago," writes Mrs S
G Stanhope of Rothesay, 'my daughter complained of feeling tired. She was very pale and listless, and kept losing strength till too weak to attend school. The doctors prescribed different bottles of medicine but Elaine kept getting worse instead of Elaine kept getting worse instead of better. She had Anaemia and we were afraid for a while that she were afraid for a while that she might never rally. We read of a similar case, that of Miss Descent of Stirling, Ont., being cured by Ferrozone, and this induced us to get it for Elaine. It took three boxes of Ferrozone to make any decided improvement, but when six boxes were used, my daughter was beginning to be her old self again. It didn't take much longer to make a complete cure, and I am convinced that there is no better blood maker than Ferrozone. It has made a new girl of zone. It has made a new girl of Elaine. She has gained ten pounds in weight and looks the picture of perfect health. She is stronger and enjoys the best of spirits. The credit of her recovery is entirely due to Ferrozone.'

Every growing girl and young woman can make herself strong and healthy with Ferrozone. It makes blood, nerve and tissne—makes it fast and makes it to stay. Complexion soon becomes rosy, nerves get new strength, tiredness vanishes—perfect health is the reward for using Ferrozone which is sold by all druggists. Price 50c per box or six boxes for \$2.50. By mail from The Ferrozone Company, Kingston, Ont. Get a supply of Ferrozone to-day.

UGLY MEN OFTEN THE BEST LIKED BY WOMEN.

Maybe there was as much truth as boasting in the statement of John Wilkes, the famous London alderman: "Ugly as I am, if I can have but a quarter of an hour's start, I will get the better of any man, however good looking, in the grace of any woman."

Of Wilkes' abnormal ugliness there was never any question. "The very children in the street ran away affrighted at the sight of him!" And yet his powers of fascination were so great that women of beauty and fashion vied with each other for his notice, while handsome men of all courtly graces were neglected.

It was said that there were few beauties of the day whose hand Wilkes might not have confidently hoped to win. He married one of the richest and loveliest women of

Get the Most

Out of Your Food You don't and can't if your stomach is weak. A weak stomach does not digest all that is ordinarily taken into it. It gets tired easily, and what it fails to digest is wasted.

Among the signs of a weak stomach are uneasiness after eating, fits of nervous headache, and disagreeable belch-
