#### WAKEFUL CHILDREN.

For a long time the two year old child of Mr. P. L. McPherson, 59 N Tenth St., Harrisburg, Pa., would sleep but two or three hours in the early part of the night, which made it very hard for her parents. Her mother concluded that the child had stomach trouble, and gave her half of one of Chamberlain's Stomach and Liver Tablets, which quieted her stomach and she slept the whole night through. Two boxes of these Tablets have effected a permanent cure and she is now well and strong. For sale by all druggists.

#### News from the Country.

FORGET ME NOT.

Maud-Dick proposed to me last night.

Maud—He said he had asked her already, and she wouldn't have him.

#### BETTER THAN A PLASTER.

A piece of flannel dampened with Chamberlain's Pain Balm and bound to the affected parts is superior to any plaster. When troubled with lame back, or pains in the side or chest, give it a trial and you are certain to be more than pleased with the prompt relief which it affords. For sale by all druggists.

##### Upper Woodstock.

I have not seen any items from this place for sometime, so I shall try to write a few.

Mr. London has purchased the property lately owned by Howard Jackson.

Great is the sorrow on account of the departure of one of Upper Woodstock's most prominent young men, Randolph Good, who on Tuesday last left for Denver, Colorado.

It could easily be seen on Sunday morning, by the disorder of the village that the evening before was Halloween.

Deer seem to be plentiful as some fine specimens have been captured in this locality.

Mrs. Lewis Brewer entertained a few of her friends on Wednesday afternoon and evening.

Some girls seem to be unsettled in mind as to what young man they wish to capture.

The mill owned by the Upper Woodstock Turning Co., has been closed for a few weeks on account of scarcity of lumber, but will start soon.

I have been wondering if George Watson's dog had anything to do with the items of a few years ago, as its name is Pat, and if so what has become of Mike?

Mrs. M. Seeley is slowly recovering.

Davis Phillips left on Tuesday last and expects to be absent for a year.

Ida Brown entertained a few of her friends last Saturday evening. A very enjoyable time was had by all.

A FRIEND.

##### FOR A BAD COLD.

If you have a bad cold you need a good reliable medicine like Chamberlain's Cough Remedy to loosen and relieve it, and to allay the irritation and inflammation of the throat and lungs. The soothing and healing properties of this remedy and the quick cures which it effects make it a favorite everywhere. For sale by all druggists.

##### Bristol.

Miss Dora Rogers has returned from Waterville.

Mrs. H. Noble has returned from a visit to Woodstock Monday.

A. W. Phillips arrived from Montreal on Saturday, and has been spending a few days at home.

Dr. Freeze went to Shediac on Monday, and according to report will be a principal in an interesting event.

Charles Curtis is quite seriously ill of appendicitis.

Rev. W. H. Smith is holding special services in the Baptist church this week.

Blanchard Phillips was successful in capturing a fine deer one day last week.

William Simpson has moved his family in from Glassville, and now occupies the Dr. Churchill house.

A meeting of those interested in the building of a lock-up in this village was held in the Orange Hall on Tuesday evening. The attendance was good, and D. V. Boyer, Ambers Gibson, J. Mead, Michael Welsh and C. A. Phillips were appointed the building committee, and authorized to take such steps as would be necessary to prosecute the work. A committee was also appointed to secure legislation enabling the committee to legally act etc.

Spent \$2,000 Doctoring.

Mr. Joseph Pominville, of Stillwater, Minn., after having spent over \$2,000 with the best doctors for stomach trouble, without relief, was advised to try a box of Chamberlain's Stomach and Liver Tablets. He did so, and is a well man to-day. For sale by all druggists.

##### Upper Kent.

We are still alive, although not heard from for some time and hope the editor will permit space for the following:—

The summer and autumn seasons have brought to the farmers abundant crops, which now are all gathered and Thanksgiving day was a perfect day for a holiday, that all rejoice and return thanks.

The men are gradually leaving their homes for a sojourn in the lumber woods. Many teams go daily to the northern country.

We were visited by one snow storm but it soon vanished, and we are now enjoying a pleasant fall.

Sickness is quite prevalent, many are complaining of colds.

Mr. Manser Bloodworth, who recently passed through a successful medical operation is now gradually improving in health.

Miss Gertrude Cox recently left for

Boston to sojourn for a time; we wish her success.

Mr. John Bloodworth's family have all been united again. Mr. and Mrs. Charles Bloodworth, of Tupper Lake, N. Y., who have been away thirteen years, Coleman and Alice of Sebaste, N. Y., also Hayden from Boston and Reuben from Perth visited home.

Mr. John Armour returned home from Caribou where he spent the summer.

Miss M. DeMerchant returned to Houlton.

Rev. Mr. Alder delivered an excellent sermon on "Influence" from Rom., 14 chap., 7-8-9 verses. He preaches fortnightly at 3 p. m. in Methodist church. Rev. L. A. Fenwick preaches in the F. B. church on Sun. at 7 p. m.

Some buildings in this place present a pleasing appearance by the addition of a new coat of paint. Mr. O'Brien the painter was recently engaged by C. Tompkins and J. Bloodworth.

The missionary lecture appointed for the 3rd was not held. Many were disappointed at the non-appearance of the clergymen.

##### Andover.

Perhaps some of your readers may think that we are asleep but such is not the case; we are quite wide awake.

Parties of various kinds seem to be the order of the day. Mrs. George T. Baird entertained a large number of her friends to an "At Home" last Wednesday at the Senatorial residence; it was the coming out of Miss Lena.

On Thursday Mrs. Baird entertained the young folks of the village, and again on Saturday Herbert Baird gave a Halloween party. Mrs. Stephen Waite entertained some friends on Saturday evening, and Sheriff and Mrs. Tibbitts gave a dinner party on Monday evening. On Tuesday evening the St. Agnes guild entertained their friends at the Court House.

W. E. Spike, Mrs. Spike and Mrs. James Tibbitts went to Woodstock on Tuesday to see Thelma played.

Miss Knowlton of Ashland is here the guest of Miss Mame Baxter.

Mrs. George Burrill of Hartland is here with her daughter Mrs. T. J. Carter.

Miss Crawford of St. John is the guest of Mrs. McAlary.

Louis Rivers fell from Porter's new building Tuesday, a distance of about 14 feet; he was not seriously injured.

The young people of the village are suffering from chickenpox in a mild form.

T. J. Carter and Thomas Lawson left on Monday morning for Fredericton to attend the meeting of the full bench of Supreme Court. Many important cases are said to be entered for final decision; among the number is the disposing of two liquor suits brought by complaints, and prosecuted by T. J. Carter and defended by Thomas Lawson. The disposal of this case is looked for with much interest by both sides of the question.

Neil McKinnon caught his hand in the buzz saw in Kuppey's mill and cut two of his fingers, but fortunately they will not have to be amputated.

#### TWO DOLLAR-PAPERS FOR ONE DOLLAR

By special arrangement, and at heavy cost—justifiable only by the certainty of largely increasing our subscription list—we are enabled to offer our paper and The

## MONTREAL WEEKLY HERALD

a great dollar weekly for ONE DOLLAR per year. This offer is exclusive, and can be made by no other paper, as we have purchased the exclusive rights for this district.

REMEMBER THIS FACT—Every subscriber paying one dollar in advance for our paper will receive The Montreal Weekly Herald for one year without extra cost. The expense to us is so great that we can make no deviation from this rule—the money must be paid in advance, and all arrears must be paid.

##### As a Newspaper.

THE MONTREAL WEEKLY HERALD was established in 1893, and is the second oldest Canadian paper. In its old age it has renewed its youth, and stands in the forefront of Canada's great journals. As a newspaper, it is edited with especial reference to its constituency of readers, who desire a comprehensive summary of the world's news of the week. Everything is viewed from the standpoint of the Canadian who wishes to keep abreast of the times, without having to wade through columns of irrelevant matter. Careful condensation marks The Herald's treatment of every line of news. Do not confuse it with other papers of somewhat similar names. The Herald is a compact paper, not a blanket sheet.

##### As a Home Paper.

THE MONTREAL WEEKLY HERALD is pre-eminently a paper for the home. In the first place, nothing is permitted in its columns that cannot be read with profit and instruction by every member of the household. In the second place, it is edited with special reference to matters that interest women. "Madge Morrison's" weekly talks with her women readers constitute the most popular department of the kind in any Canadian paper. They are veritable "heart to heart" talks with the women of the Dominion, and are appreciated in thousands of homes. In this department are given Hints to Mothers, Untried Cooking Recipes, the latest Fashions, illustrated, and a hundred and one topics of human interest.

THIS COMBINATION is a great one. Your home paper gives you in full the local news, the local markets and the local gossip. The Montreal Weekly Herald gives you the general news of the world, reports of the great markets, departments of interest to farmers, and, in particular, features of value and interest in The Home. One paper is the complement of the other. They dovetail into each other, and never overlap.

SUBSCRIPTIONS may begin at any time. If your subscription is already paid in advance, and you want The Montreal Weekly Herald at once, send in your dollar, and your subscription will be advanced a year.
