KETTLE BRIGES.

Perhaps the most remarkable bridges in the world are the kettle bridges in Russia and Siberia, of which Cossack soldiers are expert builders. They are built up of the soldiers' lances and cooking kettles. Seven or eight lances are placed under the handles of a number of kettles and fastened by means of ropes to form a raft. A sufficient number of these rafts, each of which will bear the weight of half a ton, are fastened together, and in the space of half an hour a bridge is formed on which an army may cross in confidence and safety.

Cure Your Cold

with the old standard remedy that has stood the test of 40 years experience and is more popular to-day than ever before.

Gray's Syrup of Red Spruce Gum

is carefully prepared from Red Spruce Gum, retaining all its healing, soothing properties. It is pleasant to take and is always effectual. 25 cents. At all Druggists.

Germany's forest area is not decreasing like that of most other countries, but growing. There were 34,669,000 acres in 1900, an increase of 100,000 acres in the past—

Any business firm that can succeed in getting into the public view may readily eclipse another firm of even greater proportions that does not take pains to keep the front in public attention.

The Gate to Health
is a hale heart, and the better the blood pump the more vigorous the vitality. Some know they have weak hearts; others only know that they're ill and don't suspect the heart.
But cure the heart cures every part. No heart is too sound; ninety-nine out of a hundred are disordered or diseased. Doctors do not get to the heart of the subject to be effective that is what medicine must do.
DR. AGNEW'S HEART CURE
restores health where disease reigned, in the great center of the system, the heart. Then good blood pumps in full measure, sends new life quivering through every organ and tissue of the body. It means new courage, new cheer, a new lease of life.
DR. AGNEW'S PILLS
scavengers of the digestive system and healers of the disordered apparatus. Purely vegetable and mild, forty doses for ten cents. One-fifth the price of the next best competing pill.

The Municipality of the County of Carleton.
