

### A Cure For Rose Cold Hay Fever and ASTHMA

A prominent New York lawyer in an unsolicited testimonial says: "I have used all other remedies failed. Physicians' prescriptions did not even relieve. For years I have been a sufferer of Rose Cold with all of its annoying symptoms, such as constant sneezing and itching watery eyes. Himrod's Asthma Cure is one week totally eradicated a Rose Cold of years standing. No words can express my appreciation of its effectiveness."

The late (Dr.) Oliver Wendell Holmes in his book "One Hundred Days in Europe" says: "I have used all other remedies—Himrod's Cure is the best. It never failed."

A vocalist of some reputation was performing at a provincial music hall and rendered "The Song That Reached My Heart," "Whisper and I Shall Hear," and "The Song That Will Live for Ever." Not satisfied with these three songs, the audience tried to entice the vocalist. He approached the footlights and made the following speech:—Ladies and gentlemen, when I sang the three songs I have just given, in Sheffield, the people presented me with five pounds; when I sang them in Liverpool, the people presented me with a cottage; then, when I sang them in London, they presented me with a row of houses—"Brick by brick" cried a voice from the gallery.

"Mamma," said Bennie as there came a brief pause in the conversation on the part of the callers, "isn't it time for you to ask me what I learned at the Kindergarten to-day? If you don't do it pretty soon, I'll forget what you told me to say."

Here is a Pointer.

Because you haven't used Catarrh-ozone is the best reason why you should use it right away. It will cure the Catarrh that makes your breath so heavy and your hearing so poor.

Catarrh-ozone is a scientific cure for Catarrh, Bronchitis and Asthma, recommended by doctors and druggists as a certain cure. Mr Henry A Taylor, the oldest druggist in Halifax, says: "Catarrh-ozone gives satisfaction wherever it goes. It is simple and convenient to use, and enjoys fully three times the sale of any other Catarrh remedy sold in the city." Catarrh-ozone is guaranteed to cure, and if it fails you can have your money returned. Price \$1.00 for two months' treatment. Small size 25c. Druggists or Poison & Co., Kingston, Ont.

How perfectly the girl graduates keep step!

Yes; the orchestra is playing the wedding music from "Lohengrin."

A Wonderful Book.

As a work for family reference there was probably never compiled a more useful book than Dr. Chase's Receipt Book. Besides containing the symptoms of disease, their cause and cure, and the great prescriptions gathered together during half a century of medical practice, this book is replete with receipts for cooking, and has a complete department devoted to the care of farm stock, domestic animals, etc. For full particulars write to Edmansson, Bates & Co., Toronto.

The Author (after the first performance)—Well, what do you think of my play?

Feminine Friend—It was just splendid. Who designed the lovely dresses?

Wash greasy dishes, pots or pans with Lever's Dry Soap a powder. It will remove the grease with the greatest ease. 36

Little Girl (to proud grandfather)—Grandad, didn't somebody say that our ancestors were monkeys?

Proud Grandfather—Yes, pussy, why do you ask?

Little Girl—"Cos it's nonsense. Some day I'll marry and be an ancestor, but I won't be a monkey."

Minard's Liniment Cures Distemper.

They are continually quarrelling, and yet he persists in saying that she is near and dear to him.

Correct. He means that she hangs to his coat tails and buys lace dresses and imported bonnets.

Protruding and Bleeding Piles

Are positively and permanently cured by Dr. Chase's Ointment.

It is popularly believed that nothing short of a surgical operation will cure protruding piles. That this is not so has been proven again and again where Dr. Chase's Ointment has been tested.

Mr. GEO. BAKER, painter, 103 Fuller St., Parkdale, Toronto, states:—"When one has received great benefit from a remedy after being disappointed many times, it becomes a pleasure and a duty to recommend it to others. Such is my experience with Dr. Chase's Ointment. For the last eight years I have been a continual sufferer from protruding and bleeding piles, which seemed worse when walking or working. In fact I was in agony with them most of the time."

"I tried every remedy I could learn of without any success whatever, until I obtained Dr. Chase's Ointment. From the first application of this preparation I felt an improvement, and on each application I experienced wonderful relief from suffering. I feel sure of a permanent cure, and shall be delighted to recommend Dr. Chase's Ointment at all times."

Dr. Chase's Ointment is the only guaranteed cure for piles. 50 cents a box, at all dealers, or Edmansson, Bates and Co., Toronto.

Lady—You look ill.

Lady—Worse. I've moved in society.

Sleeplessness.

You can't sleep in the calmest and stillest night, if your stomach is weak, circulation poor and digestion bad.

It does not do this in a day, but it does it—has done it in thousands of cases.

A gentleman who was stopped by an old man begging, replied: "Don't you know, my friend, that fortune knocks at every man's door?"

"Yes," replied the old man, "he knocked at my door once, but I was out, and ever since he has sent his daughter."

"His daughter?" replied the gentleman. What do you mean?"

"Why, misfortune."

He—Yes; I suppose it was awfully good of the "governor" to leave me this place, but I don't care for it. He was too practical a man to have really good taste.

She—Still, you ought to be glad to have a place like this to rest in after your father's labors.

She—Did those people whom you went to civilization welcome you with open hands?

"No," answered the missionary sadly; "they all jumped on me with both feet."

First mate—The cook has been swept overboard, sir.

Captain—Hang her! I knew she'd leave without warning.

Harry—I tried the plan of thinking twice before speaking, he said, but it didn't work.

Fred—No?

Harry—Well, hardly. Why, by the time I'd thought twice my wife had me roasted to a finish.

### How the Mine Was Named.

Up in the Black Hills of South Dakota is a mine with a peculiar name. This is the way it came to be christened.

A prospector and his wife were one day strolling over the hills on a little excursion. In stepping from one rock to another the man chanced to dislodge a bit of stone. As he picked up the chipped rock to toss it away his eye fell on a little thread of yellow.

When the mine had been staked out and the claim filed at the land office, the question of a name was raised. His wife asked him to call it after her.

The man smiled sweetly. "It is just as you say; the mine shall be named in your honor."

And from that day to this one of the richest gold mines in the Middle West goes by the endearing name of "Holy Terror."—July Lippincott's.

J. Massey Rhind, the sculptor of the proposed new Chautauqua, was talking about an artist who drinks too much. "He is always going to swear off," said Mr. Rhind, "but he keeps on still. He reminds me of a chap that Charles Lamp spoke of in one of his private letters. Lamp said that this chap, too, was going to swear off, 'but,' he went on, 'meanwhile he pours down goblet after goblet, the second to see where the first is gone, the third to see that no harm happens to the second, a fourth to say there is another coming, and a fifth to say he is not sure he is the last."

Robert Henri, the painter, told the other day a story about the Philadelphia physician Dr. W. W. Keen:—An artist was escorting Dr. Keen through an exhibition of pictures. Before the portrait of a man of middle age the physician stopped. "Do you know this man?" he asked. "I believe," the artist answered, "that it is a Mr.—— 'Is he dead?' 'Yes; he has been dead for some months.' 'Well,' said Dr. Keen, 'I would wager that he died from heart disease.' The artist, struck by a skill that could find material for diagnosis in a picture, enquired into the death of the portrait's original, and found that the man had indeed died of heart disease the winter before."
