Andover.

We have been visited with quite a cold snap for some few days and only a small quantity of snow has fell but enough for good sleighing and farmers are taking every advantage of it by bringing in produce of all kinds and wood and lumber.

The river closed at Andover today which is quite early, but from the fact of the water being so low is one cause of it closing so early. Frequent complaints are heard of the scarcity of water. It will be something unheard of if rain is not had before the New Year. As yet we see no signs of it.

It is rumored that Fraser & Sons have bought out the whole property of the Tobique Manufacturing Co which has been advertised for sale. We hope this rumor is correct as the firm is a go-ahead and up-to-date one.

The stores at this section are putting on their Christmas attire and mean to have a large display of Xmas goods.

Hon John Costigan, M P, arrived

at Perth last week and stayed a few days. He called on quite a number of his friends as well as having a large number of callers meet him at Hotel Perth. Mr Costigan says he has no idea when the general election will be, but judging from his appearance he is quite able for any opponent.

Mrs W E Spike went to St John last week for a short visit.

F Bixby representing Baird & Peters, was in town last week.

C L Merritt of Woodstock, general agent for Massey-Harris Co. spent a few days here last week, also Wm Balmain of the same place has been looking after the sleigh business here.

The tourist season has ended and a very favorable year is passed. The amount of licenses sold exceeded those of last year by almost double.

H Robinson of Fort Fairfield came over to this place and bought up all the live turkeys that he could find, and some of the town's people are getting alarmed for fear of not having turkeys for Xmas. It's awful to have a Xmas without turkey; better wait for the next crop.

Pains in the Back for Twenty Years

Could not turn over in bed—Kidneys and bladder affected—experienced great suffering.

Old people learn to trust in Dr. Chase's Kidney-Liver Pills, for when all other treatments fail this great medicine seems to go directly to the diseased part, and promptly affords relief and cure.

Mr. DAVID MISENER, farmer, Port Robinson, Welland County, Ontario, writes:—"I wish to state to you that I had a pain in my back and left side for over twenty years. At times I could not turn over in bed, I was so badly used up. I had cramps in my feet and legs, and my hands were so entirely useless that I could scarcely lift anything."

"Kidney disease was, no doubt, the cause of all my suffering, and sometimes the urinary trouble would be so bad that I would have to get up five or six times during the night. Fortunately, I began using Dr. Chase's Kidney-Liver Pills, and they cured me completely. I am 79 years old, and quite well now, but still occasionally use these pills to keep my system in good order. Several persons to whom I have recommended Dr. Chase's Kidney-Liver Pills have been equally benefited."
