## TED AND COLOMBIA.

(N. Y. Telegraph).

Lord of our far-flung battle line,  
Teddy, the war god's favorite son,  
Why alightest thou upon thy spine?  
Arise, and hand Colombia one!  
Hand her the bomb and bayonet,  
Lest we forget—lest we forget—  
Lest we forget how strong we are,  
How terrible on land and sea;  
Lest we forget that puissant tar,  
G. Dewey, San Juan and thee.  
Our Attila, be with us yet,  
Lest we forget—lest we forget—

Far called, our heroes melt away,  
Where's Hodson, Evans, Shafter,  
Sohley?  
Where are the winds of yesterday,  
The roorback, or the campaign life?  
But you are with us still, you bet!  
Do something, Ted—we may forget.

Sweep like a scourge upon the foe!  
Burst on him like a thunderclap!  
Soak him a solar plexus blow!  
Oh, wipe Colombia off the map!  
Show us that we're the hottest yet,  
Lest we forget—lest we forget.

The Ninety Per Cent. Who Fail.

A while ago it was Chicago that discovered that bad cooking was responsible for most of the divorces out that way. And now it is a Chicago woman who proposes that women be admitted to the suffrage wherever they can pass a satisfactory examination in housekeeping, and she suggests that the qualification would exclude most of her sex as effectually as the present barrier.

Considerably more than ninety per cent. of the men who engage in business fail; rarely is there a man of any age who has not been discharged at least once in his life for incompetence; where is there an employer of male labor who is not brimful of stories of his trials with help who don't know their business and won't learn? So, we see that if the women as a rule fall short of giving satisfaction in their chief line of endeavor, their husbands, fathers and brothers have small right to sit in judgment.

After popping the question the next thing in order is to question pop.

## AN ACHING BACK.

THE TROUBLE USUALLY DUE TO IMPURE BLOOD AND CLOGGED KIDNEYS.

That weary dragging backache is more dangerous than you think. It points straight to deadly kidney trouble. Your kidneys ache because your blood is bad, and after that through has clogged them with filthy inflammatory poisons. Common purging backache pills can never cure you. They only excite the kidneys; they cannot possibly touch the trouble in the blood. Dr. Williams' Pink Pills are the only positive cure for aching kidneys. They make new, rich, red blood. They conquer the inflammation and drive out the poison. They cleanse the kidneys and stimulate them to healthy action. Then your backache vanishes. Here is positive proof given by Mr. George Johnson, of Ohio, N. S., who says: "My son, now eighteen years old, suffered from kidney trouble, from severe pains in the back and passed sleepless nights. We tried several medicines, but they did not help him. In fact he was growing weaker; his appetite failed, and he could hardly do the usual work that falls to the lot of every boy on a farm. Finally a friend recommended Dr. Williams' Pink Pills and this was the first medicine that reached the cause of the trouble. He continued to use the pills for a couple of months and I am now happy to say that every symptom of the trouble has disappeared and he is now as strong and healthy as any boy of his age. There can be no doubt that Dr. Williams' Pink Pills will cure kidney trouble even in its most severe forms."

These pills cure not only kidney trouble but all blood and nerve troubles such as rheumatism, sciatica, partial paralysis, St. Vitus dance, indigestion, anæmia, heart trouble, and the many ailments that make woman's life miserable. You can get these pills from any dealer in medicine, or they will be sent by mail at 50 cents a box or six boxes for \$2.50 by writing The Dr. Williams' Medicine Co., Brockville, Ont.

The world is beautiful to every peaceful soul.

## An Ancient Foe

To health and happiness is Scrofula—so ugly as ever since time immemorial. It causes bunches in the neck, disfigures the skin, inflames the mucous membrane, wastes the muscles, weakens the bones, reduces the power of resistance to disease and the capacity for recovery, and develops into consumption.

"Two of my children had scrofula sores which kept growing deeper and kept them from going to school for three months. Ointments and medicines did no good until I began giving them Hood's Sarsaparilla. This medicine caused the sores to heal, and the children have shown no signs of scrofula since." J. W. McGinnis, Woodstock, Ont.

## GREAT WORK IN NEW BRUNSWICK.

Dodd's Kidney Pills Made F. W. Harris Well Man.

He Suffered from Kidney Disease for Two and a Half Years—Only one of the Many Cured by the Great Canadian Kidney Remedy.

Central Waterville, York Co., N. B., Nov. 30.—(Special.) The case of F. W. Harris of this place is one more evidence of the wonderful work Dodd's Kidney Pills is doing in New Brunswick. Mr. Harris makes the following statement for publication:

"I suffered for two years and a half from Kidney Troubles, being unable to attend to my work the greater part of my time. I tried many medicines without getting any benefit, but actually grew worse.

"I took three boxes of Dodd's Kidney Pills and they cured me. I think Dodd's Kidney Pills are a wonderful remedy for Kidney trouble."

Bright's Disease is the most advanced stage of Kidney Disease. Dodd's Kidney Pills are the only remedy that will cure. But it is wiser and safer to guard against Bright's Disease by using Dodd's Kidney Pills when your kidneys give the first symptoms of distress—pain in the back or slight urinary disorder.

## GOLF.

SWEET RHONA ADAIR.  
Sweet Rhona Adair has come over the sea.

To show us how golf should be played from the tee, And her stroke is so true, while her play is so fair, That no one has triumphed over Rhona Adair.  
On the green links of Erin she first played the game, And, though young still in years, great is her fame; None in England or Scotland with her can compare, They can't wield a club with bright Rhona Adair.  
Though far she has travelled, this gay Irish lassie Is still queen of the mid-iron, the loftier and brassy; From a drive to a put she's the first to get there; Oh, our hearts and our links are for Rhona Adair.  
—John McDonald, a golfer from Little Metie, in Quebec Chron. tele.

## Pandora Range

A VENTILATING OVEN THAT VENTILATES:

There is only one practical way of ventilating the oven in a range and that way has been adopted in the "Pandora"—is an actual working feature and not a mere talking point.

Fresh air is drawn from the outside through small vents into the oven and is quickly heated and disseminated, while the odors and cooking fumes escape through small vents into the smoke flues and up the chimney. Result is that expensive, juicy roasts retain their rich, natural flavor, and are entirely free from cooking odors and taints, to which the palate is so sensitive. Puddings, bread, etc., when baked, are always light, fresh and free from taint.

In the production of the "Pandora" range you have all that scientific study, practical experience, skilled workmanship, and an immense and finely equipped plant combined, can produce.

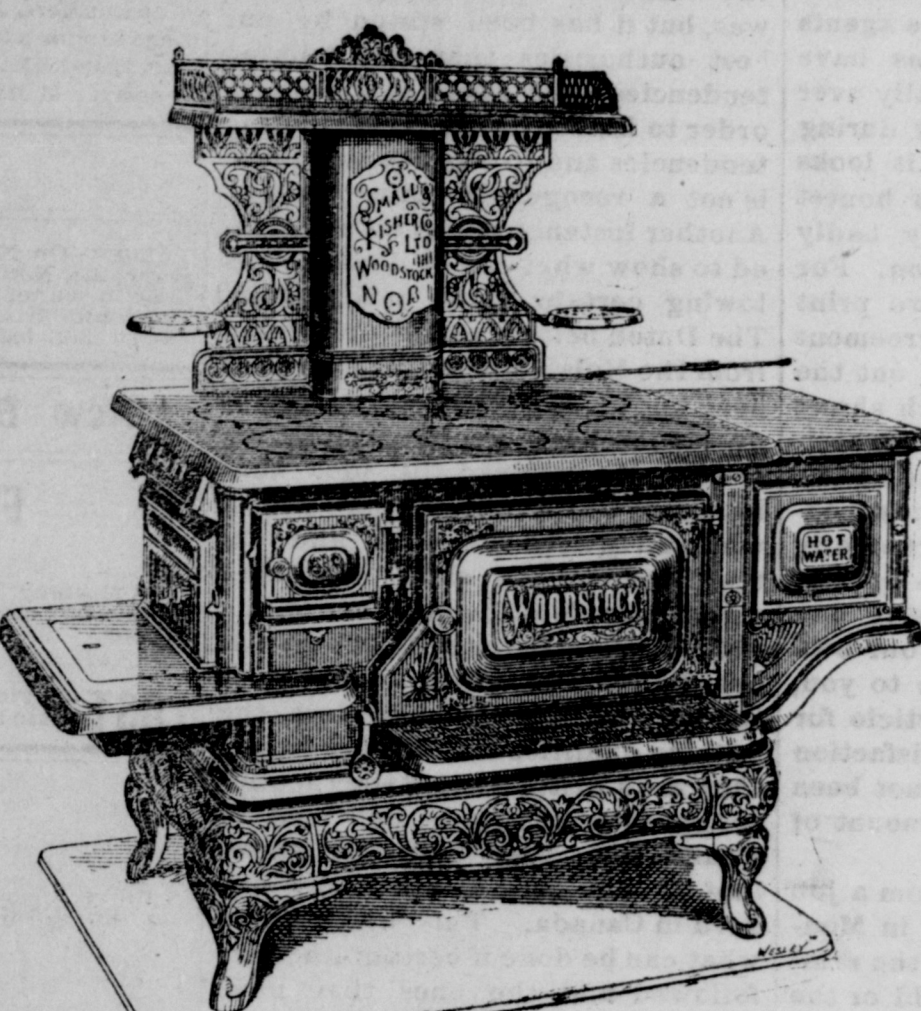

For sale by all enterprising dealers. Booklets free.
