Catarrh of the Head

Is very common, but awfully dangerous because it causes deafness and leads to consumption. Cure is ascertained to follow the use of Catarrhose as day is to follow night. You simply breathe the fragrant healing Catarrhose which spreads through the nasal passages, throat and lungs, driving out every vestige of catarrh. 'I was cured of chronic catarrh of the nose and throat,' writes Ernest M. Wilkinson of Laurierston 'after many years of misery by Catarrhose which is a splendid remedy to free the air passages from mucus. Catarrhose relieved quickly and my cure has been permanent.' Price \$1.00 for two months' treatment; trial size 25c.

Look on the Bright Side.

The sufferer from nervous exhaustion is generally blue and discouraged. He looks on the dark side of things and fears paralysis, loco motor ataxia or insanity. All this is changed by the persistent use of Dr. Chase's Nerve Food, which gradually and naturally rekindles and revitalizes the wasted nerve cells and instils new vigor and energy into the whole system.

Officer—The charge, your honour, is wife beating.

Judge—Prisoner, don't you know that wife beating is a serious business?

Prisoner, who bears marks of the fray—Shure, Judge, don't I look as though I ought to know it?

A Warning.

To feel tired after exertion is one thing; to feel tired before is another. Don't say the latter is laziness—it isn't; but it is a sign that the system lacks vitality, is running down, and needs the tonic effect of Hood's Sarsaparilla.

It's a warning, too—and sufferer should begin taking Hood's at once. Buy a bottle to-day.

Fogg—I'm surprised that Harry's parents should be so strongly opposed to his marriage.

Bass—Oh, I don't know. They are married themselves, you know.
