JUNE WEDDINGS.

CLARK-SCOTT.

A quiet wedding took place at the residence of Mr and Mrs C N Scott, Orange St., on Tuesday morning, June 14th, at 9.30 o'clock, when their youngest daughter, Lina May, was united in marriage to Artemus Clark of Perth. The ceremony was performed by Rev. W B Wiggins, B A, in the presence of the immediate relatives of the bride and groom. The bride wore a pretty dress of white swiss dimity with trimmings of valenciennes lace. She was the recipient of many useful and valuable presents. Mr and Mrs Clark left on the express for Perth, where they will reside, accompanied by the best wishes of their many friends. The bride looked charming in a travelling costume of brown canvas cloth, with hat to match. We join in wishing them a long and happy life.

STICKNEY-DERRAH.

The most interesting social event of the season took place at the residence of Stephen Derrah, Gordonsville, Tuesday afternoon, June 7th, when his eldest daughter, Bertha, was united in marriage to Samuel Stickney, Egypt, N. B. Mrs W Bridges played the march as the contracting parties took their places under the handsome floral arch in the parlor. The bridegroom was supported by John Derrah, brother of the bride, while Miss Lizzy Rogers acted as bridesmaid. The nuptial not was tied by Rev. Mr Bonnell in the presence of eighty guests. The large number of beautiful and useful presents gave evidence of the esteem with which the young people are held.

RECENT DEATHS.

MRS. JOHN ROGERS.

Mrs John Rogers died at her home in Bristol on Saturday, June 4th, aged 34 years. She leaves a husband and three children. Her parents, Mr and Mrs H N Doucette, Knowlesville, and one brother Caleb Doucette survive. The funeral was held on Monday at the Baptist church which was completely filled. The sermon was preached by Rev A H Hayward, a former pastor of the church. Rev W H Smith the pastor was also present and assisted in the services. The pall bearers were Messrs M A Tompkins, John Farley, G H Boyer, John Meed, S K Farley and Charles Armstrong. D V Boyer had charge of the arrangements. Appropriate music was furnished by an efficient choir, Miss Ella Tompkins being the organist.

MRS. W. B. HARMON.

Mrs W B Harmon, formerly a resident of Peel, died on Tuesday night at Fredericton, after a short illness from paralysis. She was visiting in that city. Her husband, who has been in the west for a couple of years, started for Fredericton at first news of her illness, but arrived too late to see her alive. Deceased was 67 years old.

Making Bordeaux Mixture.

No farmer can afford the loss of one third of his crop. Yet potato growers who do not use Bordeaux Mixture often lose more than this. The result of the eight years trial at the Vermont Experimental Station show average yields of 296 bushels an acre where sprayed and 175 bushels where not sprayed. It pays to spray potatoes if done rightly. The practice of the Vermont Experimental Station is to use Paris Green for the beetles during June. During July and August two or three applications are made of Bordeaux Paris Green Mixture. This mixture consists of six pounds blue vitriol, four pounds lime, one half pound Paris Green, one barrel (40 or 50 gallons) water. Slack the lime and dilute with about half of the water; dissolve the vitriol in the other half, then pour this vitriol solution into the lime water meanwhile stirring thoroughly; add the Paris Green and the mixture is ready for use.

W F Dibblee & Son will have in stock, very shortly, all the different ingredients for making Bordeaux Mixture. They will also have ready within the next ten days, twenty five Horse Spraying Machines, and they invite all intending purchasers to call and look these machines over.
