The pastor Rev. F. J. McMurray and the congregation of St. Gertrude's church are justly proud of a handsome Axminster carpet, of a rich shade of red, handsomely figured, laid within the sanctuary for Easter Sunday. It was purchased from Manchester, Robertson & Allison, St. John, and the price paid was about \$200.

Albert Brymer of Perth, Victoria County, was in town a few days this week. Mr. Brymer has represented his parish continuously in the county council for twenty years. He was returned at the last election, a protest was filed against him, but the council did not find that he was personally connected with the alleged irregularities. An appeal was made to the Supreme Court that the voters' list was not made up by the three assessors, and before the case was argued Mr. Brymer resigned. A new election will be called on in June and Mr. Brymer will likely again be a candidate.

## Kilburn.

Mrs. Currie of Richmond, is visiting her sister, Mrs. Hanford Grant. Miss N. A. McCarthy spent her Easter vacation with relatives here.

Mrs. W. H. Coy is expected home on the 7th inst. She has been spending the winter months in Boston.

Edward Armstrong of Perth, shipped a carload of potatoes from here on the 5th inst.

We were loath to lose one of our best neighbours, Mr. and Mrs. Abram Murphy, who, with their family, have gone to Aroostook County.

Mr. B. Kilburn made one of his flying trips to Woodstock recently.

Mrs. David Lamereau was to have entertained the Methodist Auxiliary at her home on April 6th, but was obliged to postpone the meeting until the following day owing to a nuptial event among her relatives.

C. W. Morehouse spent Easter with his son Havelock, who is attending Business College in St. John. Havelock is a general favourite among the home friends, and while we wish him every success in life, we hope his chosen calling will not take him to another field of labour.

Everything speaks well for a propitious future at Kilburn. C. W. Morehouse has found tenants for his houses that have been vacant so long. The West Bros. occupy the one on the hill while Ira B. Wright is living on the old homestead.

The Rev. H. Goring Alder held Easter service in the Methodist church. During his discourse he paid an appreciative tribute to women; when some of the ladies present were said to have exchanged pleasant smiles. Mr. Alder is evidently one of the few men, who recognize woman's influence in the universe. We have heard a great deal of late years about Woman's Rights, etc., but many have failed to catch the truth of the matter which Tennyson gives us in the following:—"The Woman's cause is man's; they rise or sink together; dwarfed or godlike; bond or free."

Mr. A. Brymer was in town Monday on his way to St. John.

Quite a pleasing event in society circles was the marriage of Miss Tibbits to E. Pickett of Hillandale in Trinity Church at 8 p. m., April 6th.
