What They Owe.

A reader with a taste for figures contributes a list of public debts of various countries, and notes with regret the fact that Canada is away in the rear, in company with third class countries like Brazil, Greece, Roumania and Turkey. The public debts are:

	Total.	Per capita.
France	\$3,836,000,000	\$150
United Kingdom	3,885,000,000	92

There seems to be little chance of Canada ever making a showing unless, in a moment of mental excitement, we should decide to build the Hon R. L. Borden's beautiful \$210,000,000 railway, or return the Cons again and let them build an elaborate series of Curran bridges all over the scenery.—Montreal Herald.

EVERYDAY AILMENTS.

ALMOST INVARIABLY THE RESULT OF POOR BLOOD OR WEAK NERVES.

If your health is impaired in any way, however slight, this article should interest you. Ask any doctor and he will tell you that most of the ailments from which men and women of the present day suffer are due to weak, watery blood, or disorders of the nerve forces. In your case the trouble may only be making a start—showing itself in a tired feeling, a derangement of the digestion, perhaps an occasional headache or a feeling of nervousness. These symptoms are too often followed by a complete breakdown of the health. In such cases there is no medicine which will bring back health and strength as quickly as Dr. Williams' Pink Pills. Thousand of weak and weary men and women owe their present good health and increased vitality to this medicine. These pills make new, rich red blood, and restore shattered nerves. This is the whole secret of the wonderful success of Dr. Williams' Pink Pills. Here is a bit of strong proof. Mrs. W. J. Clark, of Boston, Ont., says: "I suffered a great deal from a complication of troubles; rheumatism, liver trouble and pains about the heart all adding to my misery. A thorough use of Dr. Williams' Pink Pills cured me and now at the age of fifty-two all aches and pains have left me and I am enjoying the best of health." This is the verdict of all who give Dr. Williams' Pink Pills a trial. But you must get the genuine with the full name "Dr. Williams' Pink Pills for Pale People" on the wrapper around the box. If in doubt send direct to the Dr. Williams' Medicine Co., Brockville, Ont., and the pills will be mailed post paid at 50 cents a box or six boxes for \$2.50.

It is said that there are 14,000,000 people in Italy who can neither read nor write.

WEEDS

Consumption is a human weed flourishing best in weak lungs. Like other weeds it is easily destroyed while young; when old, sometimes impossible.

Strengthen the lungs as you would weak land and the weeds will disappear.

The best lung fertilizer is Scott's Emulsion. Salt pork is good too, but it is very hard to digest.

The time to treat consumption is when you begin trying to hide it from yourself. Others see it, you won't. Don't wait until you can't deceive yourself any longer. Begin with the first thought to take Scott's Emulsion. If it isn't really consumption so much the better; you will soon forget it and be better for the treatment. If it is consumption you can't expect to be cured at once, but if you will begin in time and will be rigidly regular in your treatment you will win.

Scott's Emulsion, fresh air, rest all you can, eat all you can, that's the treatment and that's the best treatment.

We will send you a little of the Emulsion free. Be sure that this picture in the form of a label is on the wrapper of every bottle of Emulsion you buy. **SCOTT & BOWNE, Chemists, Toronto, Ontario.** 50c. and \$1; all druggists.

Startling Story of Mrs. Adams

Stricken With Bright's Disease, all Hope of Life was Abandoned.

Her Restoration to Health Causes a Sensation in the Medical World.

Doctors Gave Her Up, but Dodd's Kidney Pills Cured Her Completely.

COLLINGWOOD, Ont., Jan. 25th.—(Special).—While Canada stands aghast at the terrible stands Bright's Disease is making on the ranks of the brightest and best of her citizens; while the medical profession stand helpless before the dread destroyer of life, Collingwood has among her citizens one who knows all its terrors, who has been carried down by it till the portals of death were open to receive her, and who to-day is a strong, healthy, happy woman—a woman who knows Bright's Disease in all its hideousness, but who fears it not, because she knows its cure.

Mrs. Thomas Adams is this lady's name, and she has now been a resident of Collingwood for a year and a half. Before that she lived in Burk's Falls, where she is widely known and highly respected. Mrs. Adams feels it her duty to spread the good news all over Canada, all over the world, that she has found a cure for Bright's Disease, and that that cure is Dodd's Kidney Pills.

MRS. ADAMS' STORY.

'Yes,' she said, when interviewed regarding her case, 'my friends can tell you how terribly ill I was. My doctor pronounced it Bright's Disease and Sciatica, but I got no relief from anything he gave me. It was Dodd's Kidney Pills that drove away the terrible disease, raised me from my bed of suffering, and made me a well and happy woman.'

'I was for years troubled with a pain in my back, at times I would have to keep my bed. In March, 1900, I got so bad with pains in my back and hip that I was more helpless than an infant, and at times gave up all hope of getting well. I had no power of my back or limbs.'

'I was for eight months an invalid and my sufferings during that time were something too terrible for words to describe. My doctor said I had Bright's Disease, but he could do nothing to give me relief.'

HOW THE CURE CAME.

'It was then a friend of my husband induced me to try Dodd's Kidney Pills. I had no faith in them, for I never expected to get better. But I tried them, and I thank God that I did. They brought me relief almost from the first, and after taking three boxes I was able to do my own work and look after my children.'

'It is three years since I started using Dodd's Kidney Pills, and I have not had a return of my trouble since. When I feel a little out of sorts I just get a box of Dodd's Kidney Pills, and they drive all the pains away.'

'It is needless to say Mrs. Adams' friends all use Dodd's Kidney Pills. They find that a remedy that cures Bright's Disease easily disposes of all the earlier stages of Kidney complaint.'

MATRIMONIAL.

BILLINGS-WHEELER.

On Wednesday afternoon, Dec. 10, 1903, Miss Minnie Mae Wheeler was married at the home of her parents, Grafton, to Mr. Levi S. Billings, Rev. F. A. Currier officiating. The bride's dress was very pretty and she looked charming, as all brides do. The bridesmaid was Miss Clara P. Wheeler, sister of the bride, while the groom was ably supported "through the trying ordeal," by Edgar Fisher. After the ceremony all repaired to the dining room where—well, pen fails to tell all we say. The tables fairly shone with silver and glassware and such delicious dainties as we partook of. They took the train for their home at Millville. A partial list of the presents will show the popularity in which the young couple are held:

Mrs. S. A. Vanwart and son Guy, silver berry spoon; Mr. and Mrs. Preston Wheeler, berry dishes; Mr. and Mrs. J. J. Hale, rocker, Edgar Fisher half dozen silver knives and forks.

Warren V. Hale, silver pie knife.

Clara P. Wheeler, half dozen silver tea spoons.

Frank Billings and Adelaide Wallace, water set.

Mr. and Mrs. Albert Fields, berry dishes.

" " D. A. McKendrick, parlor lamp.

George McKendrick, oil painting.

Della Billings, fancy vase.

Margie Billings, berry set.

Mr. and Mrs. Orlando Wheeler, commode set.

" " John Hamilton, parlor lamp.

Minnie McKendrick, oil painting.

Misses Helen and Gertrude McKendrick, linen table cloth.

Arnold Billings and Miss Dunn, parlor lamp.

Mr. and Mrs. J. B. Billings, silver pickle dish and berry spoon.

Allice Billings, half dozen linen napkins.

Miss A. Hoyt, salad dish.

John Billings, fancy vase.

Charles Hamilton, glass fruit dish.

Neil McKendrick, nickel teapot.

Mrs. William Billings, set of dishes.

Mr. and Mrs. John McDougall, half dozen cups, saucers, plates.

Harper Billings, silver spoon hold-st.

I. C. Churchill, silver butter knife.

Fred Lawson, half dozen silver teaspoons.

Don McKendrick, salt and pepper shaker.

Mrs. John Stewart, pair towels, fancy vase.

Abner Russell, knocker.

Heuben G. Lockhart, comb and brush tray.

Mrs. C. W. Bette, pillow.

Samuel Billings, of Montana, half dozen silver forks and berry spoon.

There were many other presents.

The groom might say, like the old philosopher, *veni, vidi, vici*, and carried off one of Grafton's fair daughters; what is Grafton's loss is Millville's gain.

I wish to publish in your paper a few facts regarding customs duty. Is it the intention of the law to tax emigrants who receive little presents from England at Christmas? I received a little package of candy from England which was taken by your officers in Woodstock and kept by them until a high rate of duty was paid for it and once before I received a little penknife, for which I had to pay duty. If this is the way emigrants are used, I think it is a shame on the Government. There are, no doubt, many poor boys who can ill afford to pay the duty. I think little presents from England ought to go free, and the sooner this taxing is done away with the better. I hope these few lines will open some people's eyes.

AN EMIGRANT.

A free fight occurred on the 27th ult. at political meeting at Kilmenna, West Mayo. The meeting was for the purpose of reorganizing the local branch of the United Irish League.

Mr. William P. Coyne, Superintendent of the Statistical Section of the Department of Agriculture and Technical Instructions in Ireland died on the 3d inst.

ON GUARD

The warning cough is the faithful sentinel. It tells of the approach of consumption, which has killed more people than war and pestilence combined. It tells of painful chests, sore lungs, weak throats, bronchitis, and pneumonia. Do not suffer another day. It's useless, for there's a prompt and safe cure. It is

AYER'S Cherry Pectoral

which cures fresh colds and coughs in a single night and masters chronic coughs and bronchitis in a short time. Consumption is surely prevented, and cured, too, if taken in time.

A 25c. bottle for a fresh cold; 50c. size for older colds; \$1 size for chronic coughs and consumption.

"I always keep a bottle of Ayer's Cherry Pectoral on hand. Then every
