

THE TWO BIG STORES!

49th Year.

On the Eve of a half century. So many things to talk about—The Atlantic Cable, Telephone, Old Friends and new ones, Times long gone and times to come. These things make us think of Autumn—nay, of Winter. How soon Winter comes, any way; and when she appears how we greet her with Robes and Belts, we bid her our welcome. We wish now to say a word to you in advance, as't were. **BE PRUDENT, BE FRUGAL, BE WISE, BE SURE, BE SAFE—ALWAYS COME TO US FOR YOUR DRY GOODS.** We are now receiving the Largest Consignments of Goods both from European and Canadian Markets ever shown by us. We are making this 49th year the Record Breaker in our Business History. Next year will be our FIFTIETH YEAR—Something entirely new.

We have just added to our Immense Stock a GLASGOW TRAVELLER'S SAMPLES, consisting of
